

WE'RE all in this
Together

The Union

Five Schools, One District
Four Grades, One School
1,000 Students, One Purpose
We are Kennedale

We are united by a Pursuit of Excellence, Desire to Succeed, and Commitment to Victory.

To reflect the unity of our school the Kennedale High School Yearbook Staff, has decided to rename the Book. The yearbook will no longer be known as Wildcat Track, but will instead be called The Union.

Think mingling voices in the halls. Think cheering on classmates from the stands. Think challenging each other to fill Operation Christmas Child boxes. Think singing the alma mater in unison. Think working together to put on a show. Think joining efforts to defeat a rival team. Think marching and playing in step to create magic. Think helping a friend with a class project.

THINK KENNEDALE. THINK UNION.

Wilderness Trek:

It was by far the coolest thing I've ever done. I literally got to minister to kids from across the nation on mountain tops. Getting the privilege of being a guide in the mountains and helping kids grow in their faith is an experience that I'll never forget.

Janay Jones

Trip to Florida:

Florida was amazing we got a beach house and had cookouts then me and my family went to Disney World. The whole trip was really fun and memorable.

Celsey Braddock

The Voice Journey

It was a long drive but it was worth getting there at 3:00 a.m. Auditioning for The Voice, I met a friend and we never left each other's side and we auditioned in the same room, the both of us got us callbacks. After the callback we roamed the streets of Nashville and I still don't think New York City would do any justice to Music City.

er Days

Hir Niak

San Antonio Adventures:

It was my families first time in San Antonio. We went to SeaWorld for the very first time and it was the best experience. We went to Downtown San Antonio and I did lots of shopping and ate delicious food. It was the best part of my summer!

Daja Simmons, Tevor Malone, Cierra Bentley

Drum Major Camp at UNT

We learned how to be leaders in band, gained success, learned different filters to filter the world. We won an award for outstanding teaching skills teaching people how to march and it was very effective. We all had a lot of fun.

Angie Blanco

Trip Down South:

I volunteered at a summer camp at D. McRae elementary School with Diana Rosales, and a at Vacation Bible School at St. Vincent de Paul. I then went to Las Vagas, the Grand Canyon, Cancun, and then off to Columbia to visit my family and end my exciting summer.

Spirit Week

To get in the spirit for homecoming, students dressed up for each day's theme. For Too Old Tuesday, students brought out their canes and grey hair. Patriotism was on show Wednesday as students came decked out in red, white, and blue from head to toe. Thursday, students took it back to their favorite decades, from 50s poodle skirts to the 90s grunge. Friday each class dressed in assigned colors. Freshman wore orange, sophomores wore pink, juniors wore white, and Seniors kept it black. All the festivities led to Friday night's Homecoming victory.

MEMORABLE OUTFITS

2016

Homecoming K and Q

After an eight year absence, the Homecoming Dance returned to Kennedale. The Theater Department hosted the event and made sure everyone had a great time.

The 2016 Homecoming Queen Alondra Olmos is escorted by 2016 Homecoming King Carson Ham. Both find time in the busy royal schedules for extracurriculars. Olmos is a member of the state champion girls soccer team and Carson Ham plays in the band and serves as senior class president and Student Council vice president.

CANDID MOMENTS

Homecoming is about coming together to celebrate and have fun. Students, faculty and alumni took the time to have their pictures made together, framing the Homecoming weekend.

Homecoming

Green Dominates The Night

While the Wildcat Football Team dominating the first half of the Homecoming game, six homecoming king and queen nominees and the rest of the court were behind the scenes preparing to take the field. The court and the fans in the stands were on pins and needles. King nominees were Cedric Chapel, Carson Ham, and Ullis Tyler Queen nominees were Taylor Fox, Alondra Olmos, and Emmaline Prinz. By the time the team took the field for the second half, Carson and Alondra were getting comfortable in their crowns.

2016 Freshman Lord and Lady were Jamal Marshall and Stephanie Diaz.

2016 Sophomore Duke and Duchess were Allen Nguyen and Caren Pena.

2016 Junior Prince and Princess were Kamrhan Pate' and Julissa Mireles.

iSing

iSing is not only a competition for students to share their musical talents, but also an opportunity to express themselves. Ms. Bowens, Mr. Munson, and Ms. Stevens judged the acts and gave each of the students generous, commending feedback. MC Kameron Henry kept the crowd alive between the performances with jokes and commentary.

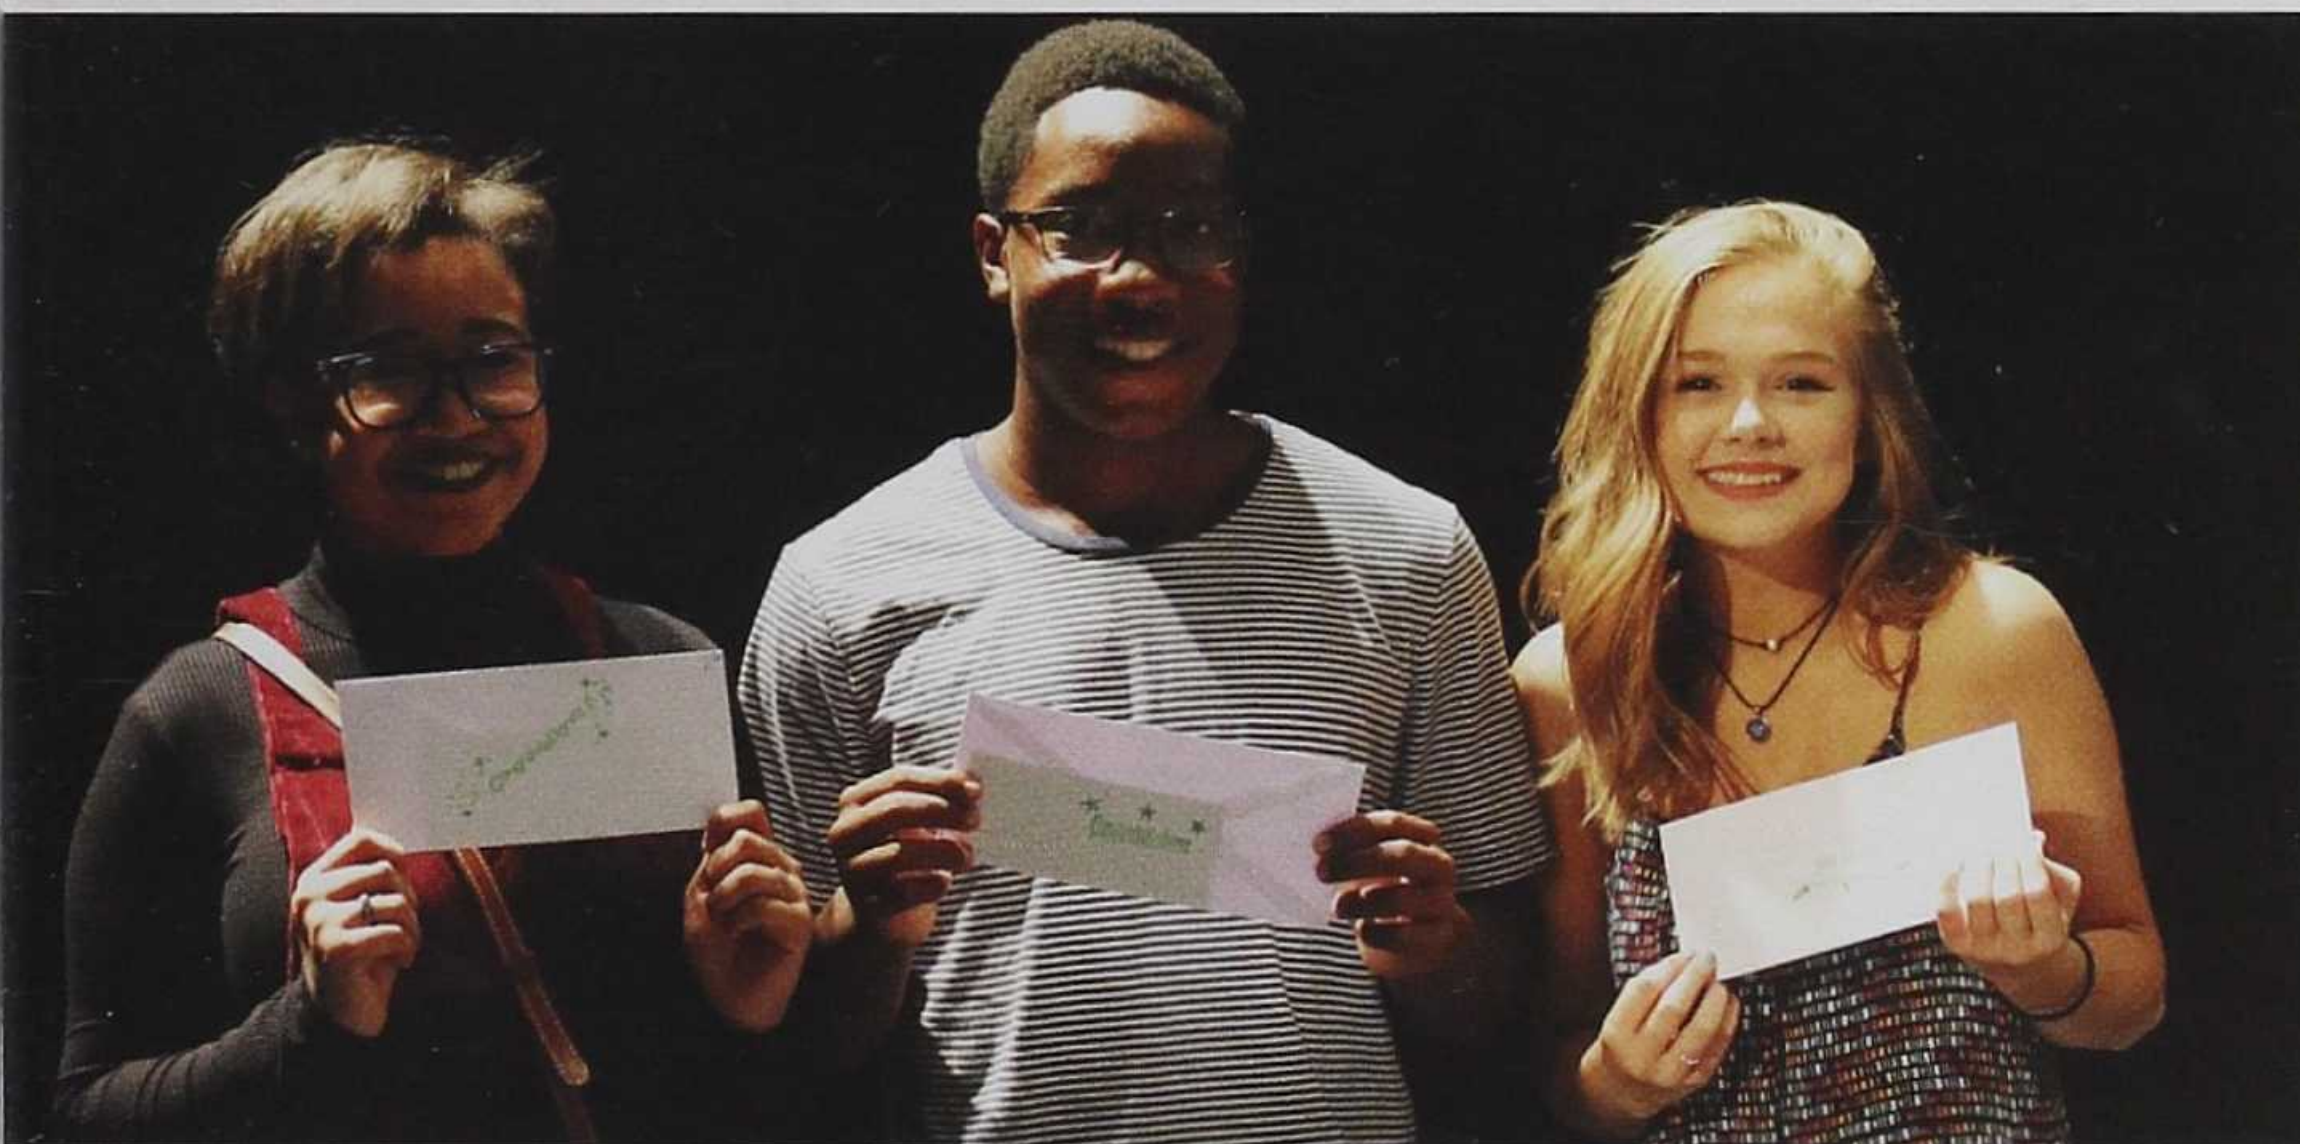

iSing had many talented singers including Celsey Braddok, Karrington Davis, Jordyn Washington, Tiffany Haywood, Brian Gomez, Ashlyn Greenfield, Savion Key, Lane Hubenak, Angie Blanco, and Kerrington Wade. They have all been on the stage sharing their gift in previous years. With iSing, these students finally get acknowledgment for their vocal talent.

Although all the acts were exceptional, the top three were Celsey Braddok, Karrington Davis, and Jordyn Washington. Celsey took 1st place with Tori Kelly's "Hollow." All of the contestants said that they had an amazing time getting to perform not only in front of their family and friends, but also for their teachers. The seniors had mixed emotions about this being their last year to compete.

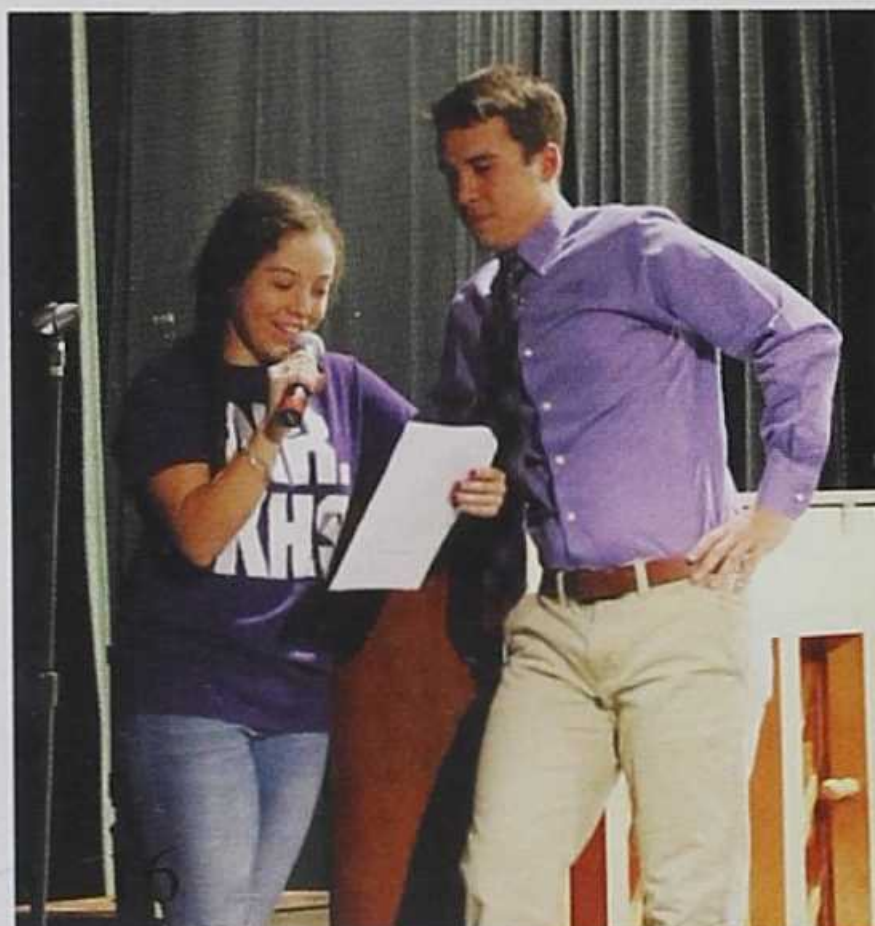

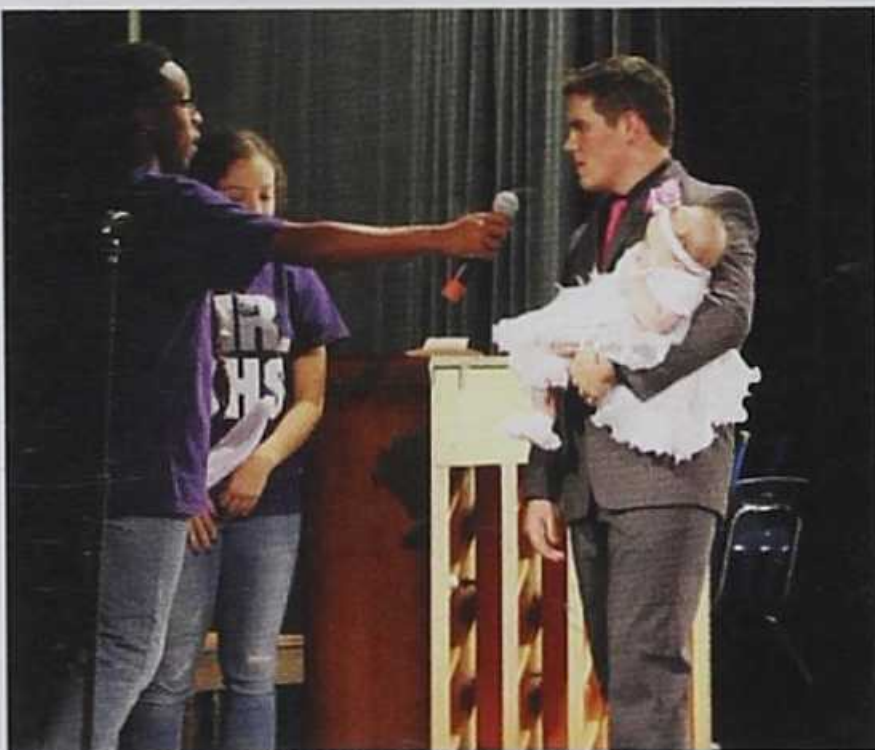

"It was amazing to get to be up on the stage performing after not doing it for a while. iSing was a nice opportunity to remind myself how it felt to make people feel good" - Karrington Davis

Mr. KHS

Mr. KHS was one for the books. From magic tricks to rapping a Barbie song and shooting a bow and arrow through an apple, These amazing guys pictured showed their talents and personalities. The three judges, pictured on the middle right, had positive things, to say about each of the guys that participated. Ms. Osborne said when picking the next Mr. KHS she chose "Probably the one with the most crowd interactions that laughed with the contestants".

Put on by the senior class officers, Mr. KHS raises money for the senior prom. Escaping from your comfort zone is definitely required to be a part of this competition and the guys who were in it did a great job of expressing themselves. With so much craziness this year, who knows what is in store next year.

QUESTIONS

Sophomore, Leland Murphy, wows the contestants and the audience with his magic card tricks. Below you see some of the guys amazed at his skills.

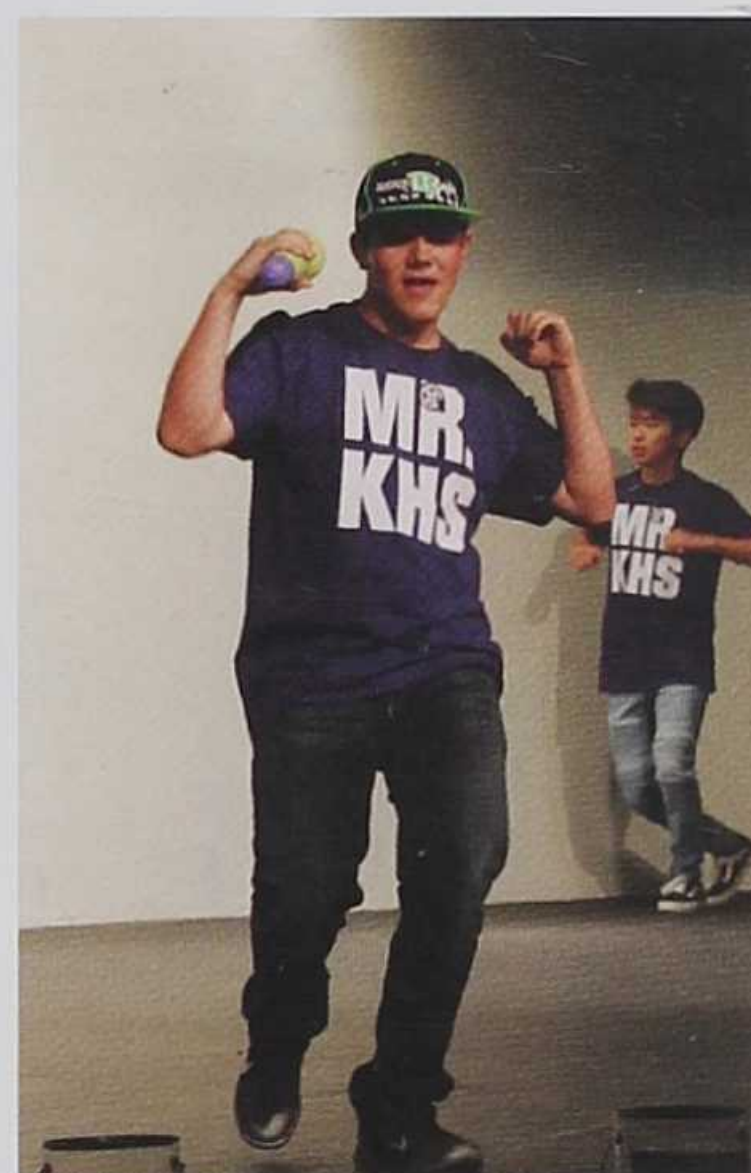

THE NEW MR. KHS

Christopher Chen

Christopher Chen says his favorite part of the competition was "watching other people's talents" and he decided to compete for Mr. KHS because Mrs. Thacker signed him up. "I would like to give a quick shout out to Colin Farrell and DJ Mustard and I love my parents." -Chris Chen

Our wonderful judges, Ms. Osborne, Coach Lopez and Coach Reue did an outstanding job picking this year's Mr. KHS. Pictured on the right, Senior Ban Nguyen raises his bowen arrow aims at an apple twenty feet away. He shoots and the arrow goes straight through the apple. Impressive skills, Ban!

Jobs

Students balance out their social life and student life with their working life. Between extra credit home work, NHS meetings, and early morning cross country practices, Wildcats have a busy schedule, but they don't let that stop them. This diverse student body has a variety of interesting jobs. Their occupations vary from taking care of dogs to modeling all while these students are keeping up their classes

Emily

Emily Greathouse, senior, works at local dog hotel. She is an animal lover who enjoys every second spent with dogs, whether it be walking them, cleaning them, or simply playing with them. To Emily, her job is much more than walking dogs; she develops a bond with her four legged friends.

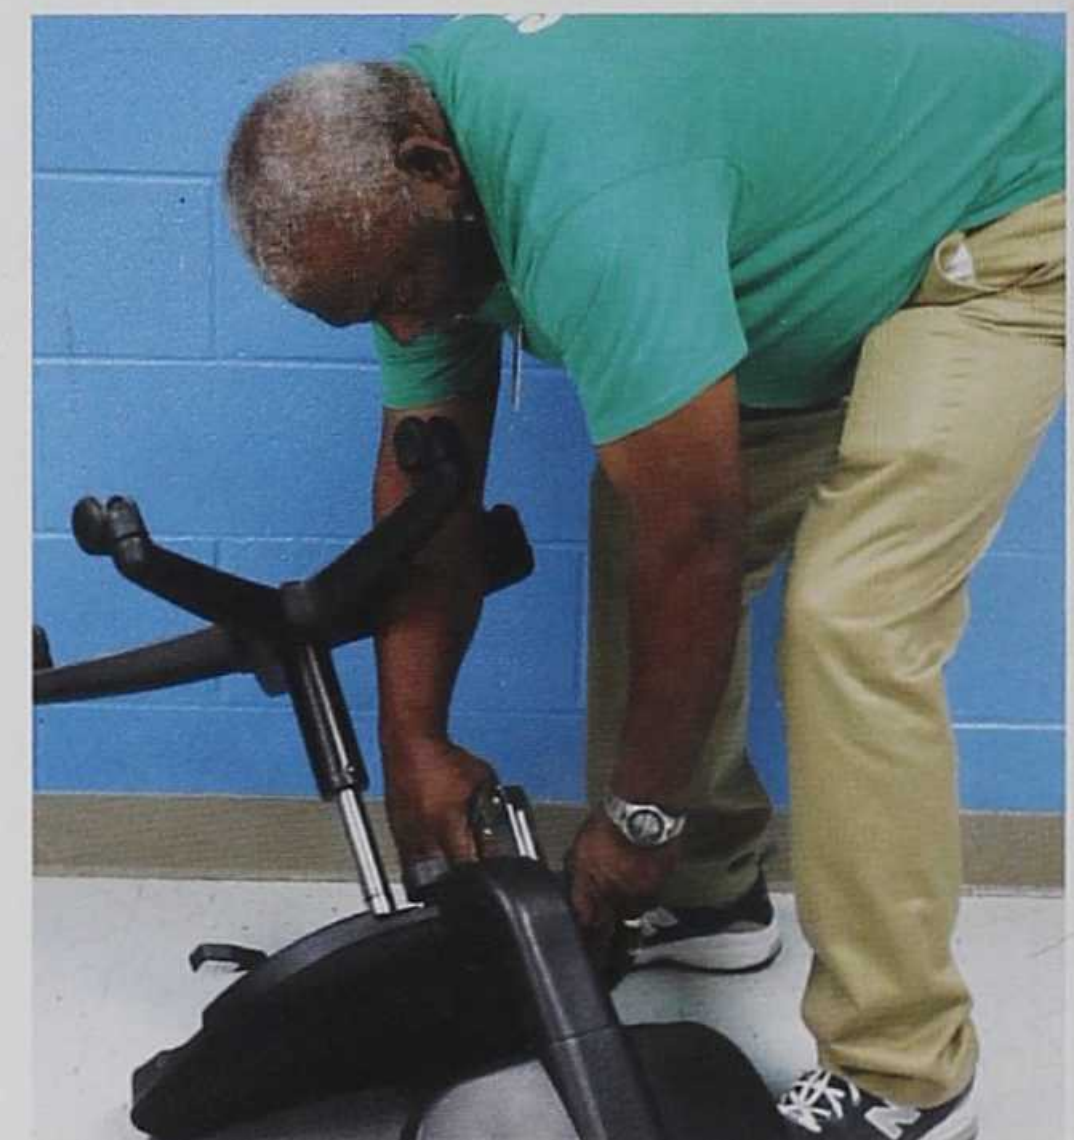

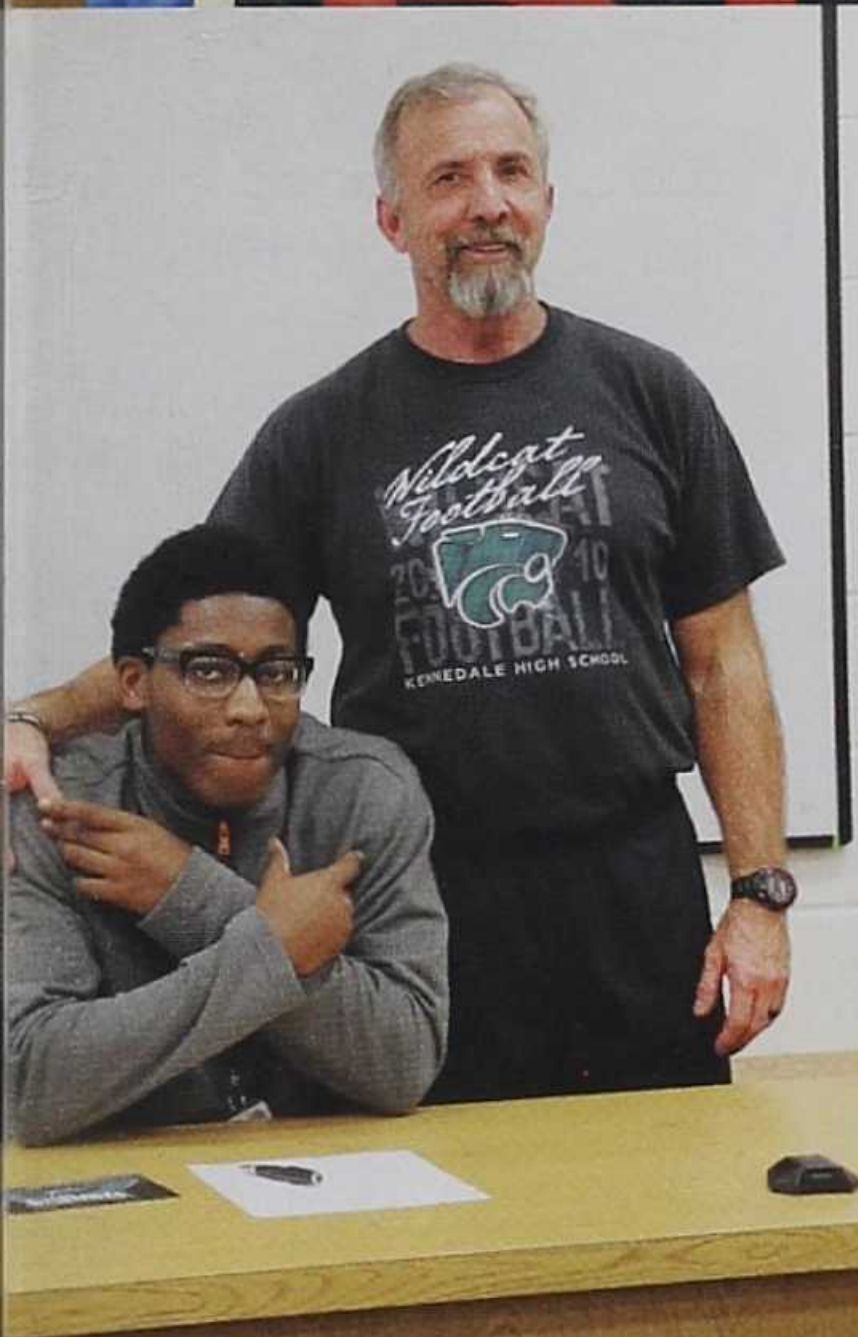

Coach Patterson

Coach Patterson pursued a modeling career throughout high school which she still continues occasionally to this day.

Mr. Maddox

Mr. Maddox was raised by his single mother, along with 8 siblings, who had to get jobs as soon as they were able. Mr. Maddox spent his time refurbishing furniture at a local upholstery shop from 10th grade until graduation.

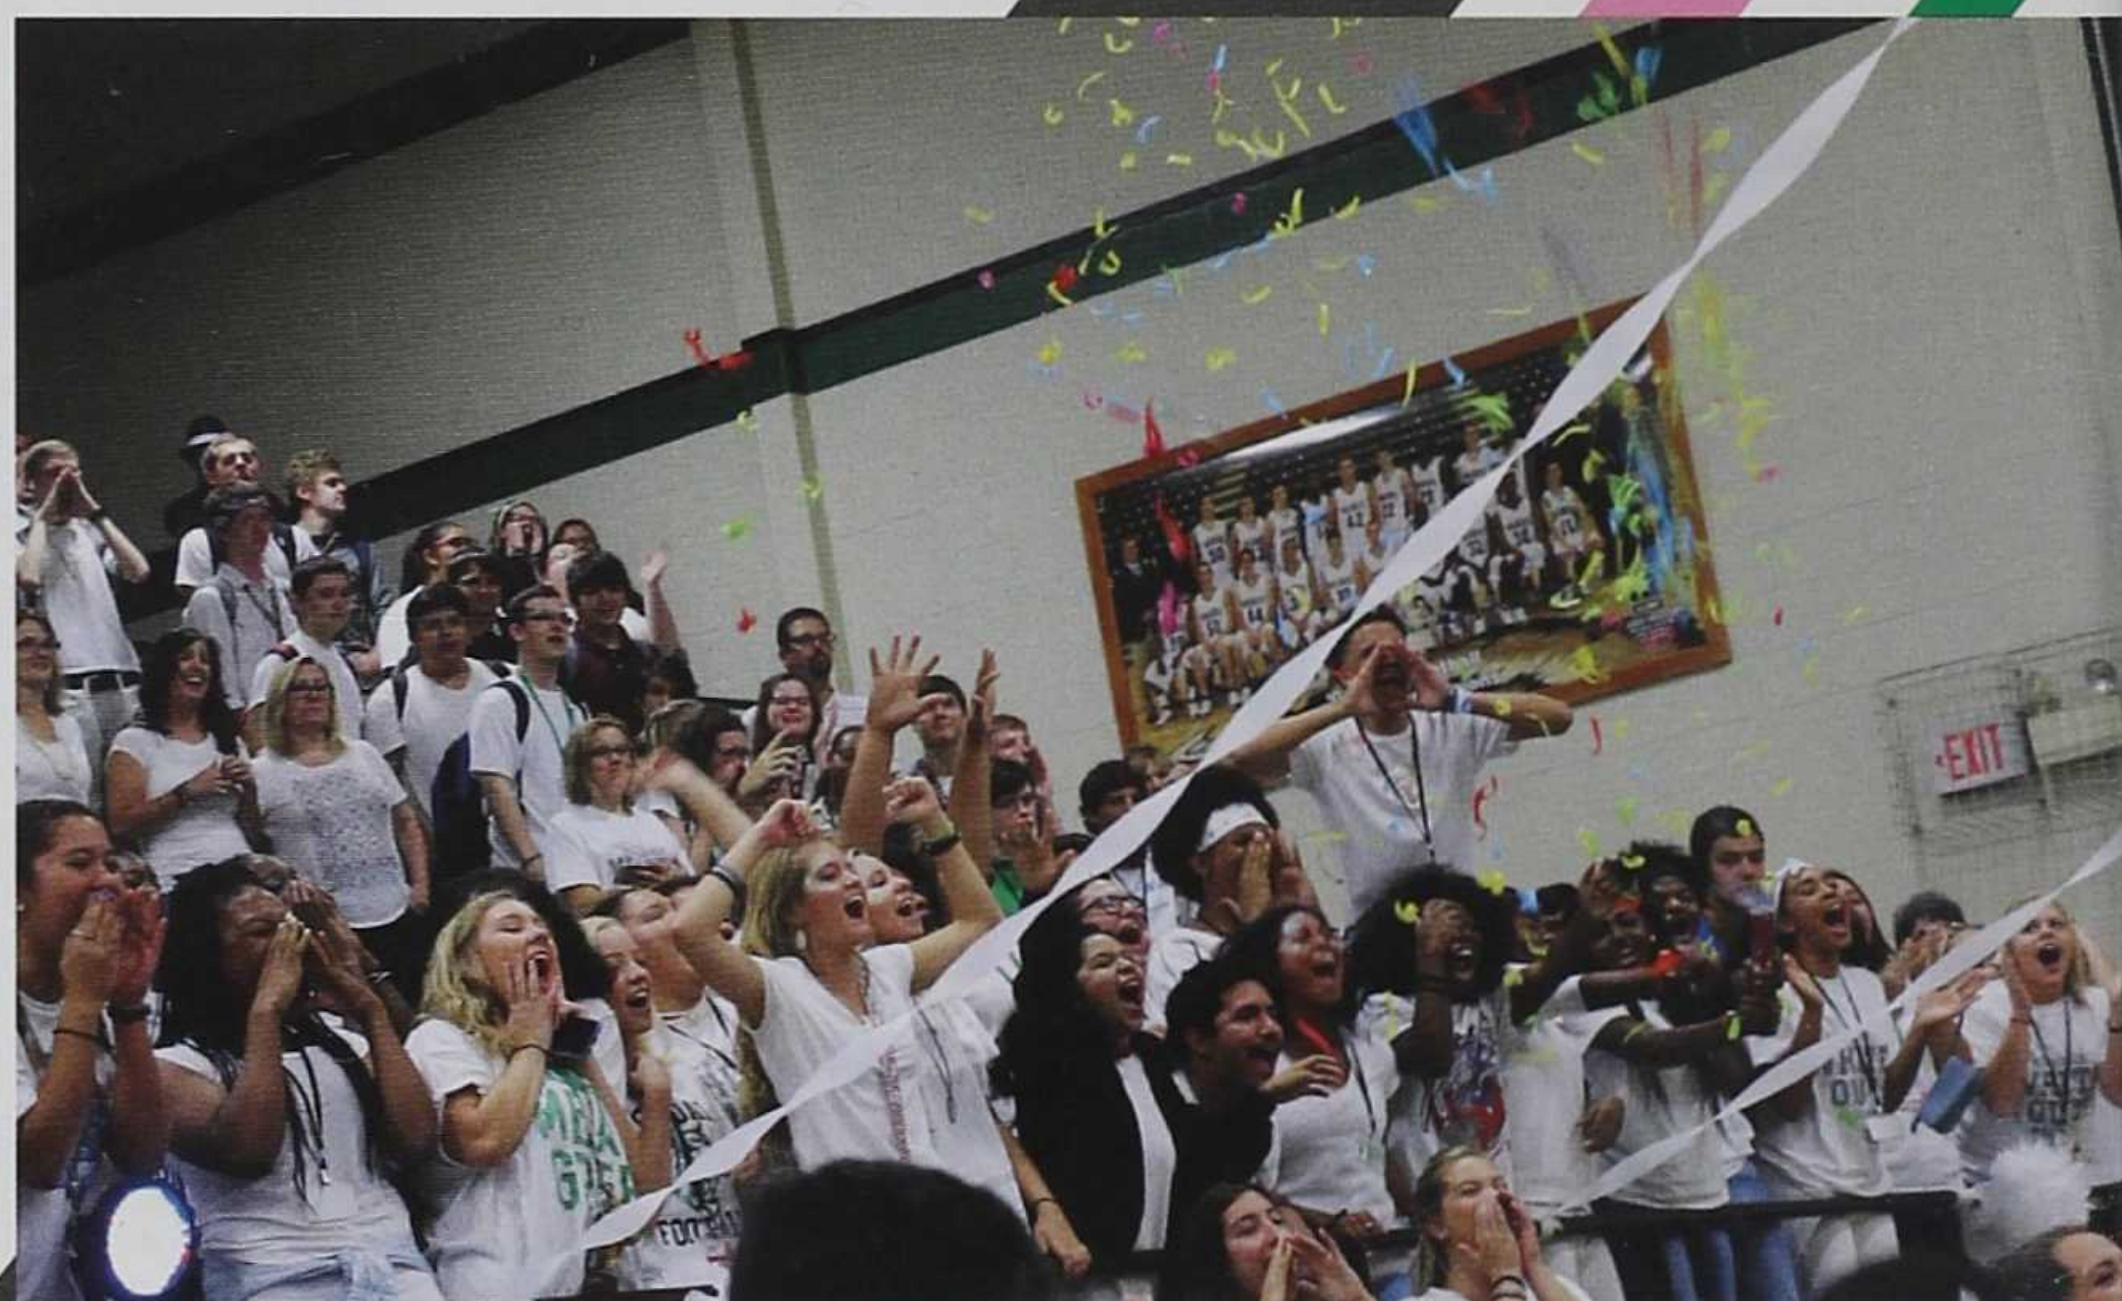

SIGNING DAY

PINK OUT has been a tradition for years. It is about much more than a football game or volleyball game. When the cheerleaders make the breast cancer banner in a stunt, when the student section cheers at the football game, when our boys score a touchdown, we are honoring people who have been impacted by breast cancer. Students' **PINK** pride shows school unity in honor of the survivors and the victims.

Senior, Alondra Olmos, photobombs classmate Jodi Dixon while she says "Peace Out" to breast cancer.

Green Goes Pink And WHITE

WHITE OUT marks a new pep rally theme started to show our school spirit. Similar to pink out, students celebrate by wearing as much white as possible to both the pep rally and the game. Once the **BLACK OUT** pep rally, was reimagined to honor the seniors in May, the way was clear for a fresh spirit theme. Here's to a new tradition for the 'Dale.

Say
CHEESE!!

While showing support for our national anthem, our football boys also show their support for school spirit, dressing in as much white as possible for our **WHITE OUT** game.

13 years Senior

"It is a joy to see these young people who are confident, excited and prepared for their amazing futures. Best of luck to the Class of 2017!"
- Mrs. Greenfield

I look forward to seeing the Seniors return every year. I'm always impressed with how mature they have become. It's nice to feel like you had a part in that.

Student Council officers include President Katie Randolph , Vice President Carson Ham, Secretary Haley Sloat, and Treasurer Emily Marr.

Student Council

Student Council is a student government organization comprised of students selected to represent their peers. They focus on both school and community involvement projects, and their members are often the people you can find dressed up for homecoming week and attending games and performances. Student Council's goal is to improve our school and make Kennedale a better place.

National Honor Society

The National Honor Society is an organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, leadership, service, and character. Members take pride in doing different service projects throughout the year such as the blood drive twice a year, doing Christmas angels from the angel tree, teacher appreciation, and more. Our goal as an organization is to take great students with a big heart and willing to serve in the community.

“The best way to find yourself is by losing yourself in the service of others” -
Mohandas Gandhi

Peer Assistance and Leadership

Making a Difference

PAL and Peer PAL are classes designed for students to provide mediation to peers who need to settle conflict and to help Kennedale's younger generations become strong and compassionate citizens. Both classes are filled with diverse people who come together to be a safe haven for those who are lost or just in need of a friend.

PAL and Peer PAL are classes designed to allow high school students to use the potential they have to make a difference in the lives of those around them, including at their high school and the other schools in the district. Every student in the class will say they have made a memory that they will never forget.

Teacher Profile

Mrs. Naughton

In her fifteenth year of teaching, Mrs. Naughton has been, and will be, an inspiration to many students. When she first got to Kennedale another teacher else was in charge of the PAL program, but when she was given the class she was super pumped to work with the Peer and PAL students. This being her eleventh year teaching PAL/Peer PAL, she says that the counselors at the other schools have been such an amazing help.

"Peer-PAL has been one of the most rewarding programs that I have had the honor of participating in. Being able to provide a pair of ears to someone who just wanted to be heard has taught me that we are all the same. You never know what someone is going through until you open your ears and listen."

LIVE! in 3..2..1..

Getting information out to the whole school can be a difficult task. Putting the word out over the intercom, or hanging fliers and posters on the walls do not always get the message to the right people. However, a team whose job it is to get information about all things happening around school is ready to get the job done. Wildcat Network (WCN) is made up of students who gather the news for everyone to hear and know what is happening around the school and community. Streaming live every day during A Lunch, the WCN team is keeping Kennedale knowledgeable.

TEACH! Is the fun part. RST students, called Student-Teachers, go to our four younger campuses and act as a student teacher under the guidance of a Mentor. Coach Johnston meets with the Student-Teachers on Fridays where they discuss what they've learned that week and how to move forward. "Our district is blessed by this great group of 15 student teachers, raves Coach Johnston. "They are dedicated, responsible and so passionate about the young lives they get to impact a few days a week. I'm so lucky to get to be a part of their lives."

Computer Science Society

Brain behind the Brawn

Computer Science is a fun hands-on class that allows students to sharpen their basic knowledge of computer programming and learn the ins and outs of how computers work. The Computer Science Society provides time outside of classes for the members to discuss different topics in computing and explore topics they are personally interested in, including graphic design, website building and software engineering. Members also enjoy making games and apps.

They also work together to help each other solve problems and prepare for UIL competitions. Members can also earn certification in Oracle and Microsoft. All in all, the Computer Science Society is geared up for the 21st century.

ART CLUB

From Imagination to Paper

The goal of Art club is to allow students to express their creativity and to be themselves through the creation of unique art pieces. Witty, unique, intelligent, friendly, creative, and sometimes dangerous are some of the attributes that these students possess. Art Club sponsor Carolyn Cullum describes her students as, "...the ones who will become the leaders in government or, perhaps, the ones who will overthrow the government. Either way, they won't be sitting on the sidelines."

*"The world's most interesting man? He was originally in Mrs. Cullum's art club - Stay artsy, my friend."

Maestra Stephens and Coach Trantham proudly taught in tutus one day because they lost the Key Club sponsored homeroom Penny War. All proceeds raised from the Penny War each October at KHS go towards ending neonatal tetanus.

Friends of Rachel

Students gather in schools from town to town to take on the challenge of finding kindness within themselves and spreading that kindness. According to the members, "The KHS Rachels Club exists to promote and maintain an atmosphere of kindness and compassion and to encourage individuals to reach their full potential." To the left you can see pictures of students gathered at their yearly event. In this event, students participate in activities where they get to know each other better and gain trust within their classmates.

The Friends of Rachel Club strives to look for the best in others and encourage others to be friendly to those who may be going through a tough time.

Serving the Hispanic Community

La Sociedad Honoraria Hispánica is a national honor society that works to promote Spanish language and culture in schools and communities. To become a member, you have to be in Spanish 3 or higher and complete an application with multiple questions and recommendations. The organization is fairly new to Kennedale High School with this being only its third year. At the end of the year, we award different scholarships to members who have done lots of service and meet certain qualifications. Unique to the program, every member must submit a work of art to the national magazine "Albricias". Students can submit a drawing, short story, or poem for a chance to be included in the magazine. In years past, we have had several students make it into the magazine, and they even win cash prizes.

The EMT and CNA programs are classes designed to give students a head start on their careers. In the EMT (Emergency Medical Technician) program, students have to be 18 years old to participate because after completing the class work, they participate in the special skills testing in Crowley, TX. There they do rotations in an ambulance and in an emergency room. If they pass the tests they become licensed and are able to get jobs as EMTs.

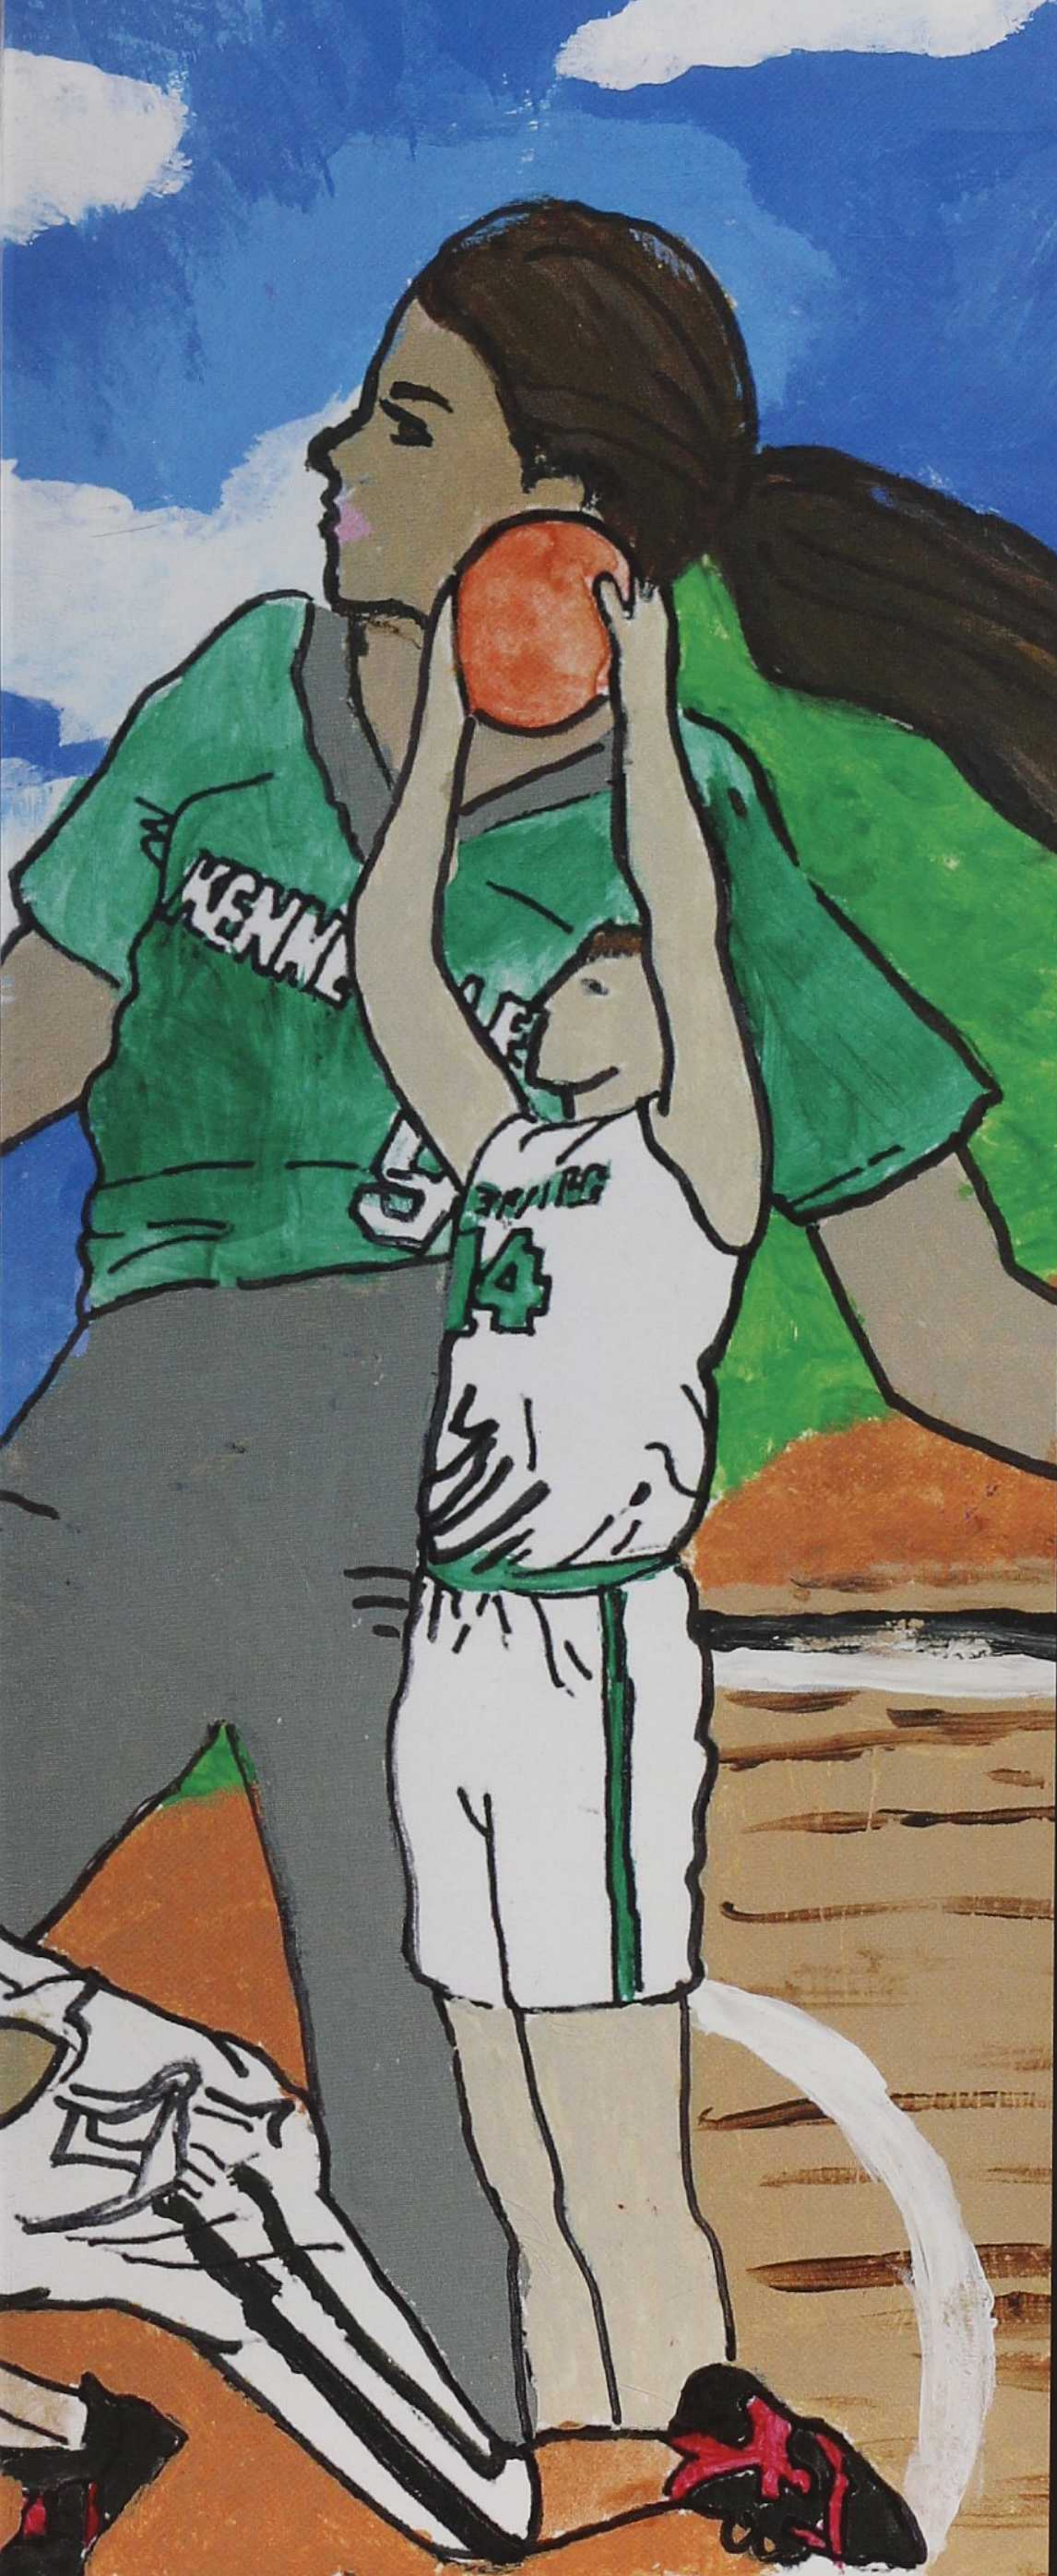

The CNA (Certified Nursing Assistant) program is similar. Once students graduate they are able to take the CNA exam for the state of Texas. Most Wildcats who choose the EMT and CNA programs do so as an entry way into the actual career of their future Mr. Burke says he likes teaching this class because it gives the students an immediate job after high school which they can use as a full time or part time job.

Running with Devotion

The Cross-Country boys team was led by Seniors Trey Burke, Carson Ham and Daniel Escobar. The girls team was led by Seniors Jamie Najar, Bianca Braz and Taylor Fox. Both boys and girls teams finished 3rd in district and advanced to the regional meet in Lubbock. Jamie Najar finished 22nd overall at regionals and Marcos Flores led the boys with a personal record time of 18:17 in the 5000 meter regional competition.

With great leadership, work ethic, and dedication the Wildcat Cross-Country teams competed in the Dinosaur Valley Cross-Country meet, Ken Gaston meet, Burleson Elk Run among several others. Progress was evident each week as each runner continued to set personal records throughout the season.

Coaches Heath Wakeland, Tammy Evans and Alyson Stallcup indicated it was an honor to have coached this team. This committed team practiced at 5:15 am in the morning and worked through their injuries. The season culminated with both teams qualifying for Regionals.

Varsity Volleyball

"Being a freshman on varsity was a great experience. I enjoyed meeting new girls and having older girls to mentor me. Overall, it was a ton of fun." - Lilly Rychlik

With 8 returning players, the year was a very exciting one. Coached by Jennifer Patterson, the Lady Kats finished district 11-1. They earned the title of District Champs and Bi-District Champs. They worked hard every day at practice to have an outstanding season and their work paid off. They never went down without a fight. We had a great group of girls this season who loved the game and finished strong.

SENIOR SPOTLIGHTS

Freshman Volleyball

New Beginnings

Coached by Mackenzie McLellan, the freshman Lady Kats finished district 6-6. This season was a building one for our freshman team. Gaining a new coach this year, the girls learned a lot of new skills they will carry with them through the next 3 years of high school. The girls worked hard every single day to improve their skills.

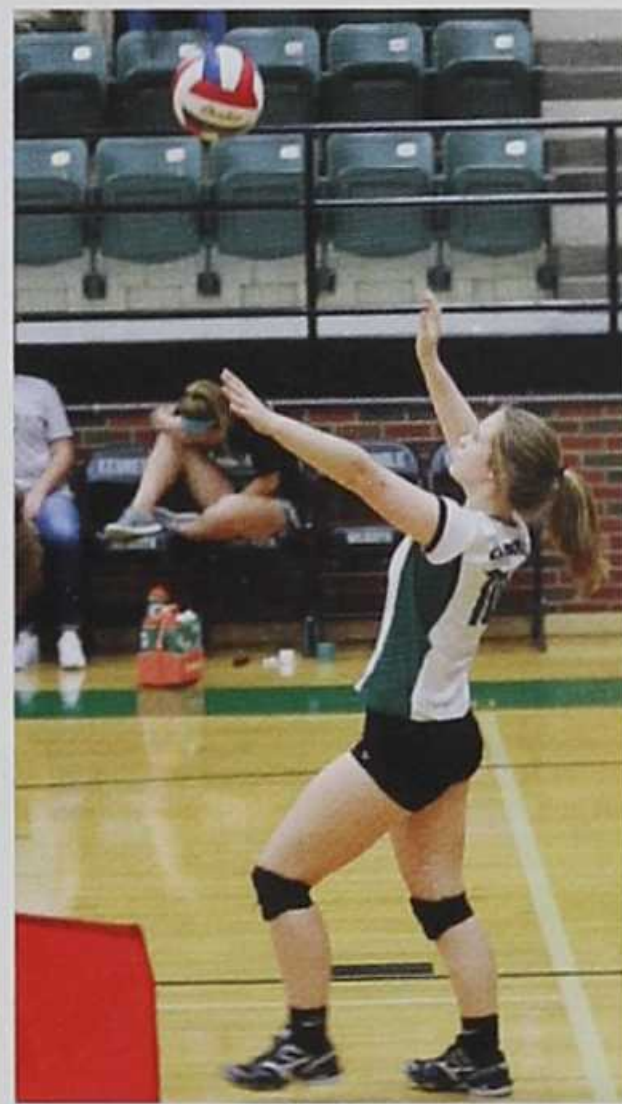

"With a 4th place finish in district, the Kennedale Freshman volleyball team demonstrated perseverance throughout a season that brought many changes; some game to game. With injuries, personal changes, and adjustment to high school play, the athletes fought hard every game. They even won a game where we only had 5 players! I am very proud of the girls and their season."

- Coach McLellan

JV Volleyball

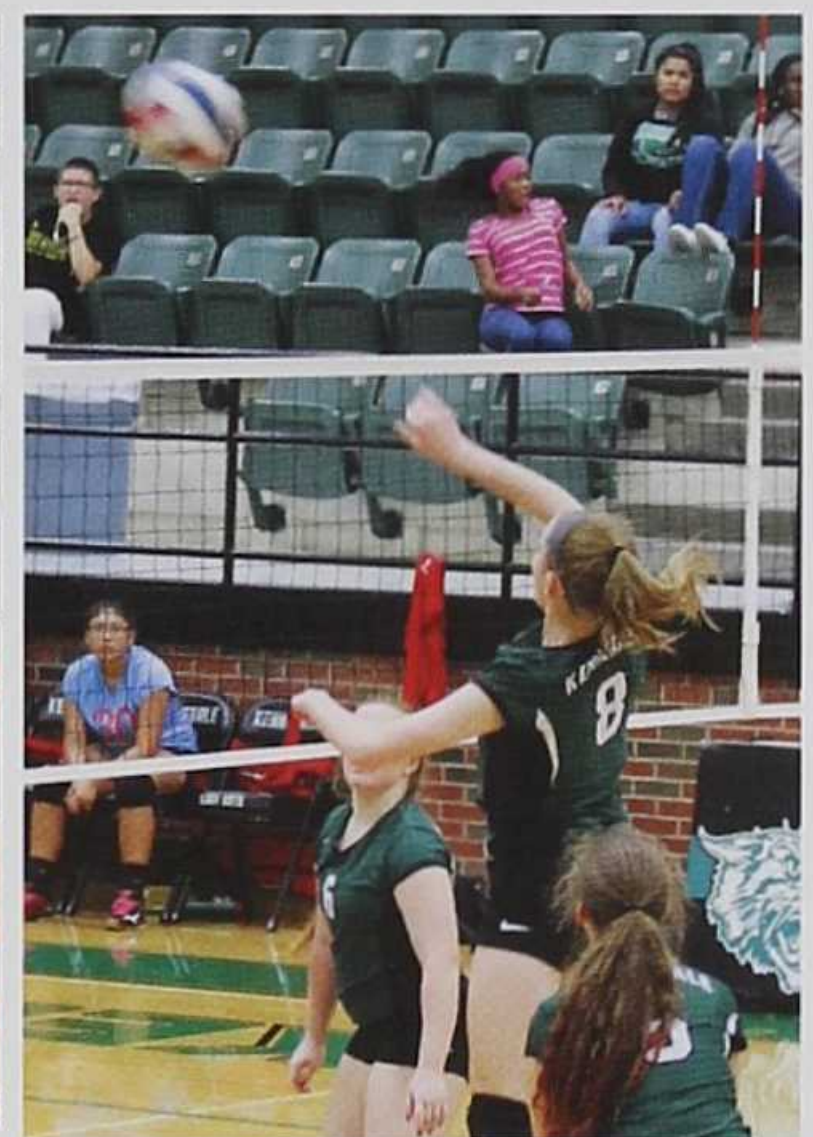

Bump, Set, Spike

Under the direction of Cassandra Thibeau the JV Lady Kats finished district 5-7. The never went down without a fight. This great group of girls this season had new faces and some returning players. Continuing to improve their skills everyday, the Lady Kats are excited for what is to come next season.

Sadie Hurst

"Being a part of the volleyball team was such a wonderful way to start off my senior year because these girls were so helpful and patient in teaching me a sport I had never played before."

Making History

One Step Away

With strength in both offense and defense, the Wildcats had a season of highs. They advanced further into the playoffs than any Wildcat squad ever. The determination to win came early in the season in a hard-fought game against Terrell, a meeting that would bode well for the Wildcats in the Bi-District round of the playoffs.

Senior Nic Stroud knew what the games against Terrell meant for the team's chances. "We beat them earlier in the season, so we knew the second go around would be much more difficult. Throughout the season we matured as a team, which propelled us to beating Terrell a second time."

The Kats marched undefeated through their District 74A schedule to take the Championship. Week after week, the team

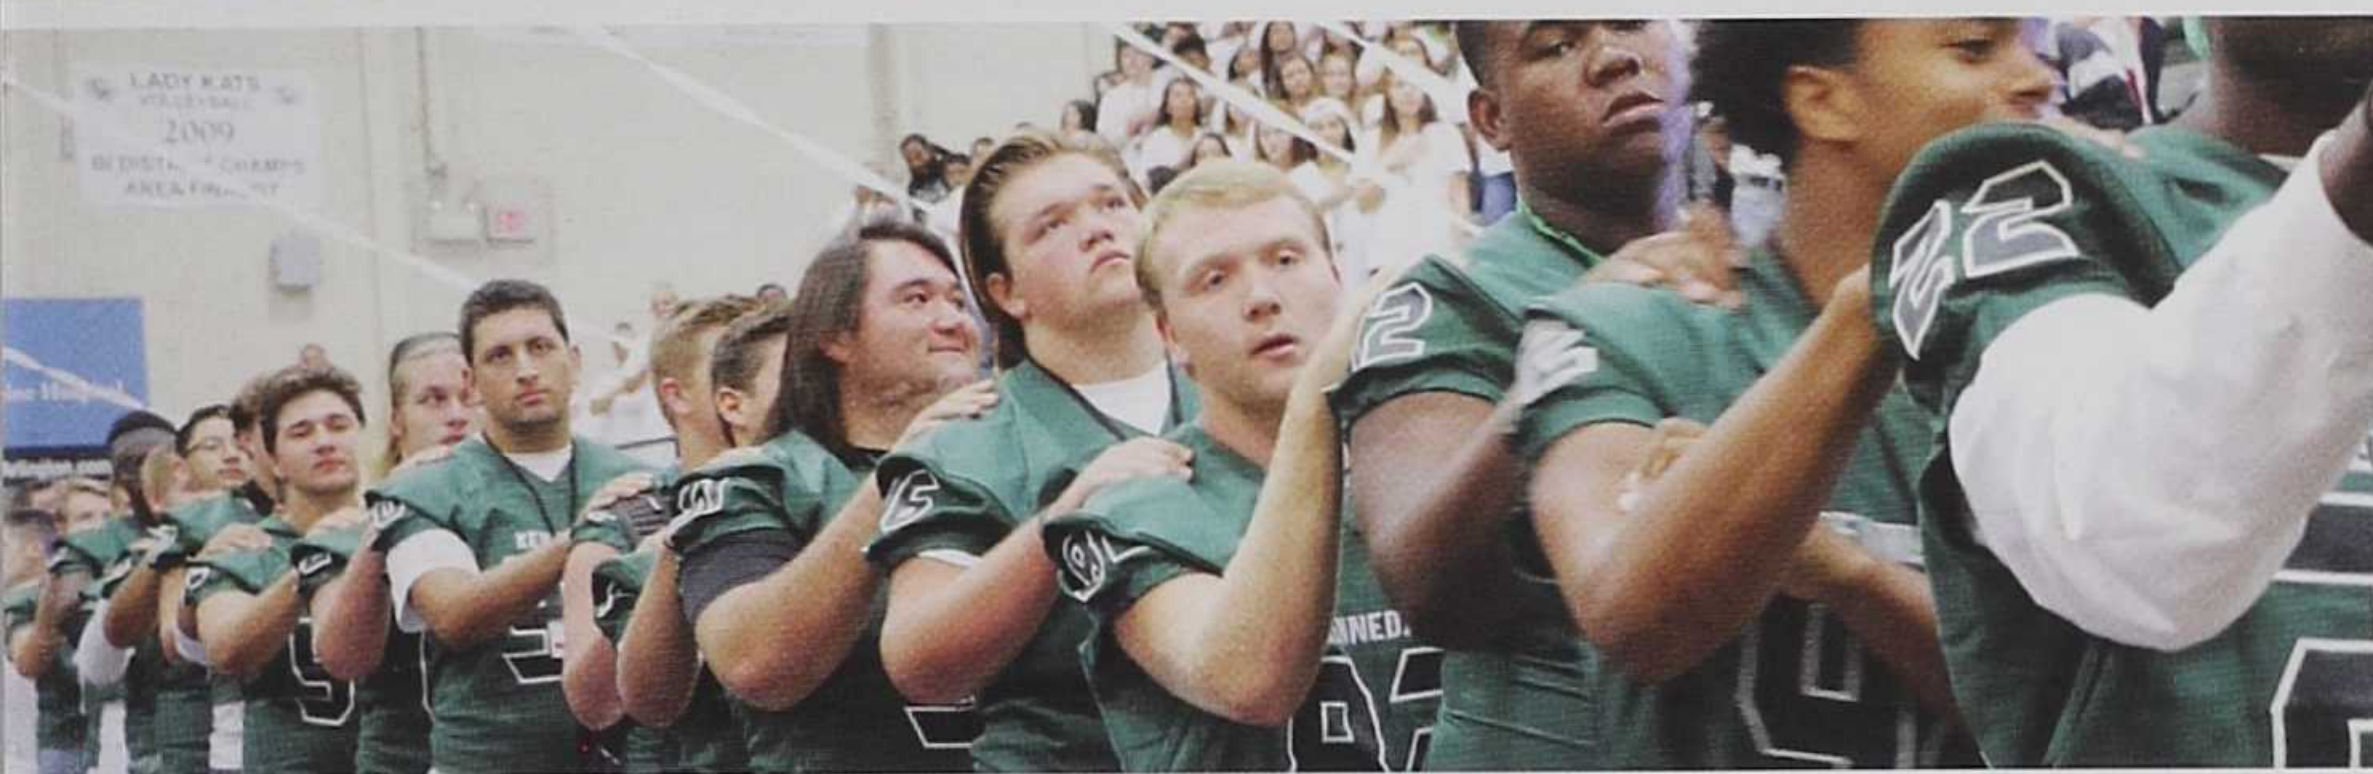

overpowered their district rivals. The defense gave up only 28 points in district play.

"The defense dominated the line of scrimmage, played well as a unit, and were vicious tacklers," according to defensive coordinator Jody Littleton. "They shutout 5 opponents on their way to the Semifinals."

Entering the playoffs, the squad took down strong teams from across UIL Region II, winning the Bi-District, Area, and Regional Championships.

The football season extended into December as the Wildcats advanced to the State Semi-finals. The season ended with an intense defensive battle against Abilene Wylie, just one game away from the State Championship game.

KHS Alum and Coach, Derek Lopez

"The senior class provided great leadership and demonstrated a tremendous amount of perseverance in leading us to the semi-finals of Class 4A Division I in 2016. This was the farthest a Kennedale football team had ever advanced."

Coach Richard Barrett

Fear the Wildcats

You wouldn't have to go to every game to see the amazing team work the JV football team showed on the field. They push together and win together. JV football kicked off the year with an intense win against the Bedford Mustangs. All their hard work paid off throughout the season. the Kennedale JV football

team won 2nd in district.

The Freshman squad also pushed themselves during practices. They saw the results on the field. Both sub-varsity teams worked hard to move up the ladder.

Dedication. The JV and Freshman boys practice an average of 4 hours a day through heat and cold. The all practice their move over and over together to get stronger and faster and to dominate their opponents and become our future varsity team.

Varsity Girls Basketball

From the very beginning of the season, each girl gave her all in practices and games. The players worked together to achieve a common goal. The Lady Kats went 12-0-0 in district. They ended their season with a total of 33 wins and 4 losses - an exceptional season.

Watson said, "The best part about the season was the relationships that developed within our team. I know it gets said a lot, but I truly believe this group of girls will remain good friends for life. As a coach, that is more gratifying than any of the wins we had this year".

Lucy and Sydney dazzle the crowd with their handshake. Each of the girls had a unique way of coming onto the court as they were introduced for senior night.

New Beginnings

As the years go the legacy grows and teams accomplish their dreams. The freshmen in the basketball program leave as stronger and smarter students and athletes. These fresh new faces came in ready to play, to have a good time and to put in hard work. They ended their season with a 12-0-0 record in district, and 26 wins and 3 losses overall bringing pride to the Wildcat Nation.

"The best part of the season was beating Mansfield High School for the championship in our Freshmen tournament," says Coach Casey

JV Basketball

Nothing but net!!

From the second the JV Wildcats walk onto the court their determination showed in their faces. As the games go on, the hard work they put in off the court showed that they were prepared for the games. Under the direction of Coach Munson the Wildcats came in and defeated the enemy. With new faces and some returning players the Wildcats were able to take down the competition and take the title of district champions winning 11-0 in the season.

Coach Munson

"This year was exciting! It was a learning experience. Not only learning how to play on the floor but also off the floor. By the end of the season we were a lot better than earlier in the in the season."

"Over the course of the season, the team as a whole became more than just teammates, we became brothers and played for each other and not just ourselves." - Ryan Bunnell

Girls Powerlifting

The girls powerlifters made the school proud by performing tremendously this season. Meet after meet, the girls competed against themselves and each other to be the best they can be. They placed 4th in regionals sending four girls to state. Erica Rico, Erlyna Morgan, Kylee Embry, and Alissa Boubel competed at state, with Kylee taking 4th place and Erlyna taking 5th place.

"Forget everyone and pick it up!" -Kylee Howard

Boys Powerlifting

The boys powerlifting team had an outstanding season tying for second place in regionals. The boys then pushed themselves and each other harder and harder, practice after practice to beat their last max out. Four of the boys, Colton Hall, Cameron Hannah, Ricardo Pena, and Justin Lindsey, qualified to move on to compete in the state championships.

Girls Soccer

This year the varsity girls soccer team impressed us once again and made their school proud by going undefeated in district. The seniors set a great example for the team by leading and encouraging. The girls have put in work on and off the field and are filled with determination to do the best that they can. Everyone is proud of all that they accomplished and will keep accomplishing in the coming years. Their Kennedale family looks forward to seeing them triumph.

COACH PROFILE

Coach Strange

This is my 14th year coaching, 5th here at Kennedale (3rd with the girls). My reason for coaching is ive played soccer since I was 5 yrs old and always loved being on the field and competing. I am inspired to try and pass on the passion & love of soccer to the next generation the same way I was impacted by coaches in my youth. The game of soccer, sports in general, teaches us so many lessons beyond the field, like hard work pays off and commitment to the team & its principals to lead toward a bigger goal.

"I'm so proud of our girls this season. Few people can understand the pressure the girls have felt on them to continue the success that's been built here with the LadyKat Soccer team. However, every early season expectation has been met and the girls carry this pressure into the playoffs knowing that it has only made them stronger and more prepared to go to face the state's best teams again this spring. A big thank you to our loyal fans who have supported us in the cold, wind, rain, and sun!!!"

TRAINERS

A player goes down and stays down. Players on both teams take a knee. The crowd goes silent.

The stage is set for the unsung heroes of the athletic department to take the field. The trainers hurry to attend to their own injured players or bring water when an opponent goes down.

Throughout the season the trainers prepare to tend to the aches, pains, and injuries Wildcats and Lady Kats suffer in every sport.

Practices and games both provide opportunities for the trainers to show their skills and help their classmates.

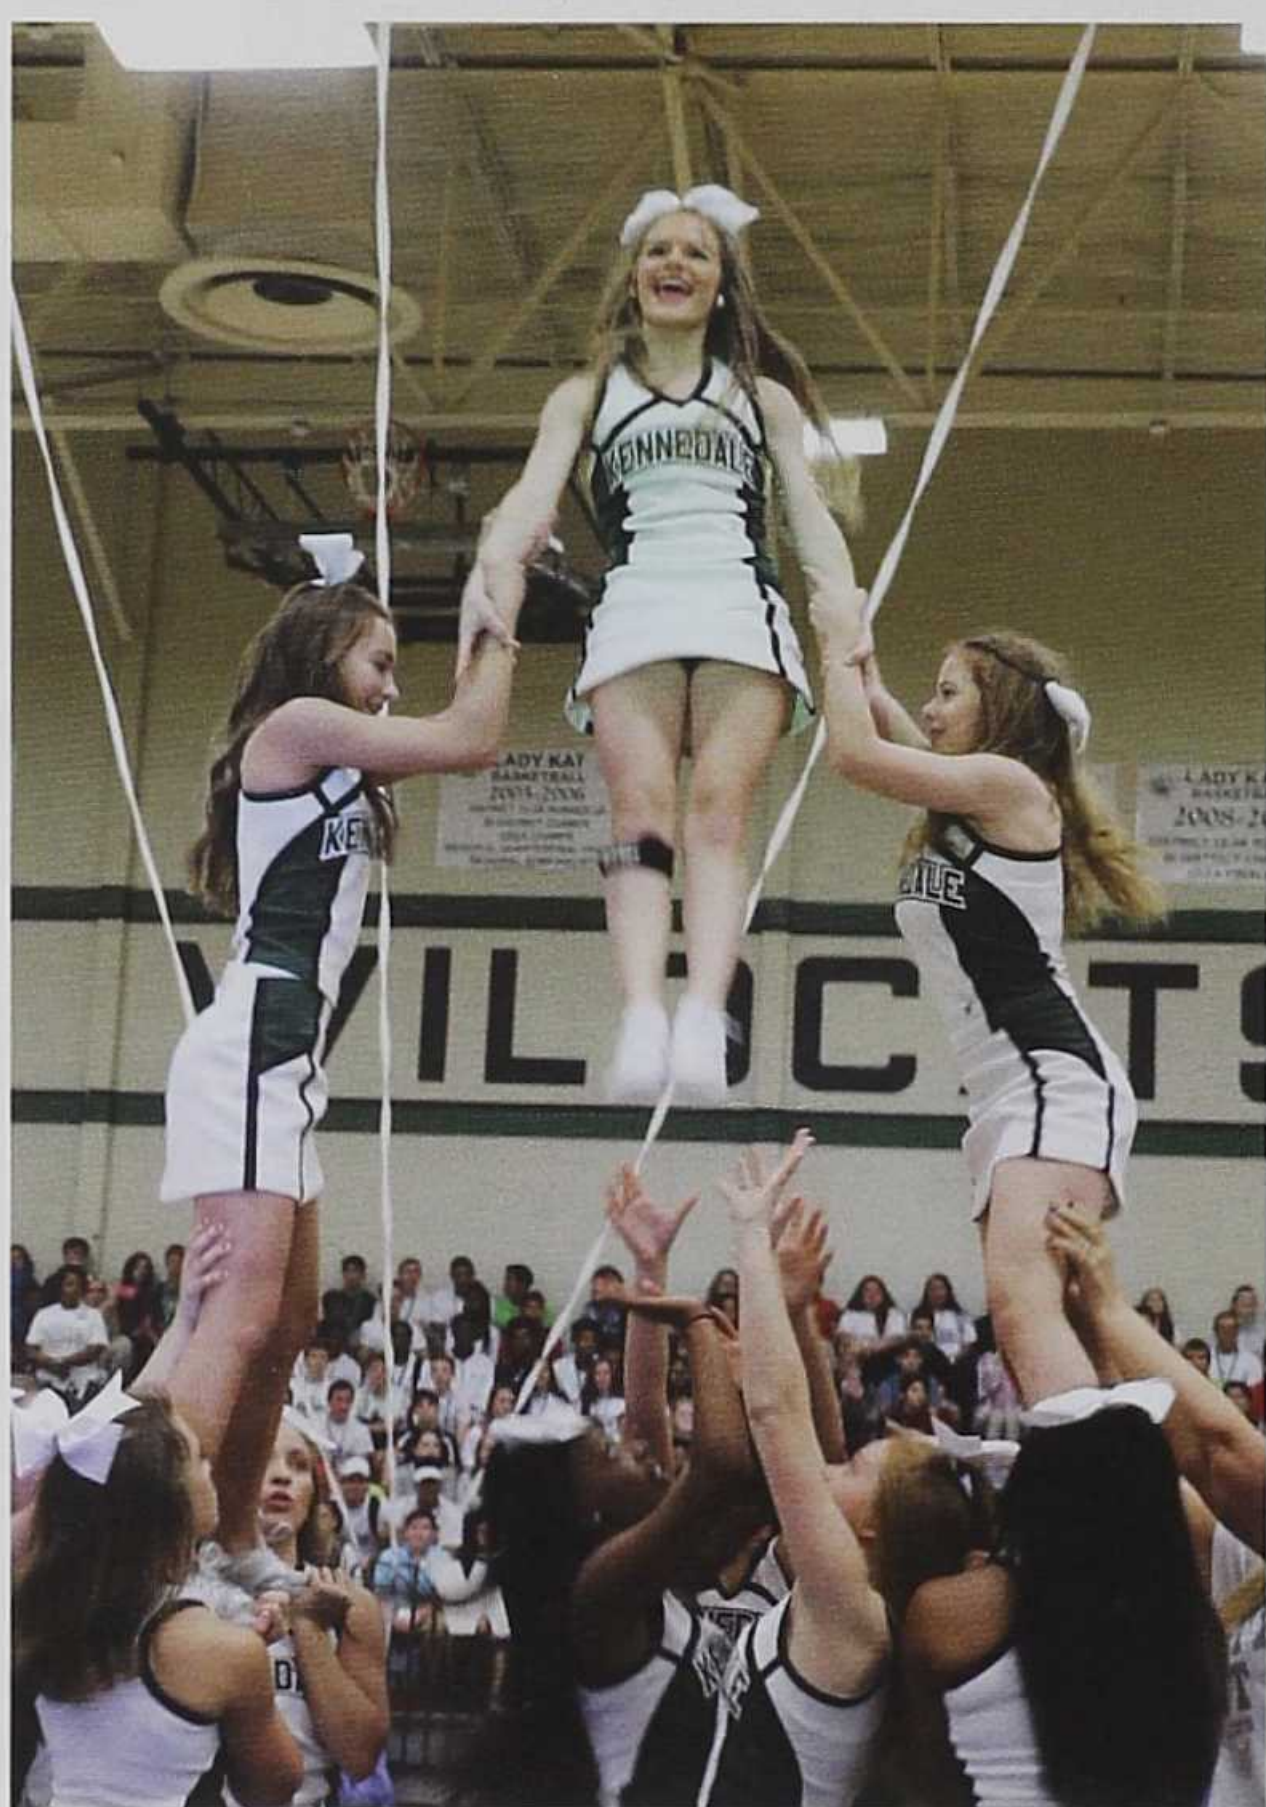

Cheerleaders put hard work and dedication into what they do. They strove from summer to the end of the year. From leading the crowd at football and basketball games to competitions, cheerleaders have to be on.

On the first day of UIL State, the squad got to show off the amazing routine they had worked on since August. They performed well and made finals the next day finishing 13th in the state of Texas. Twelve members of the squad also competed at NCA Nationals and took 12th place.

They have made our school very proud for what they have accomplished.

Wildcat Band

Marching toward Success

An Unforgettable Year

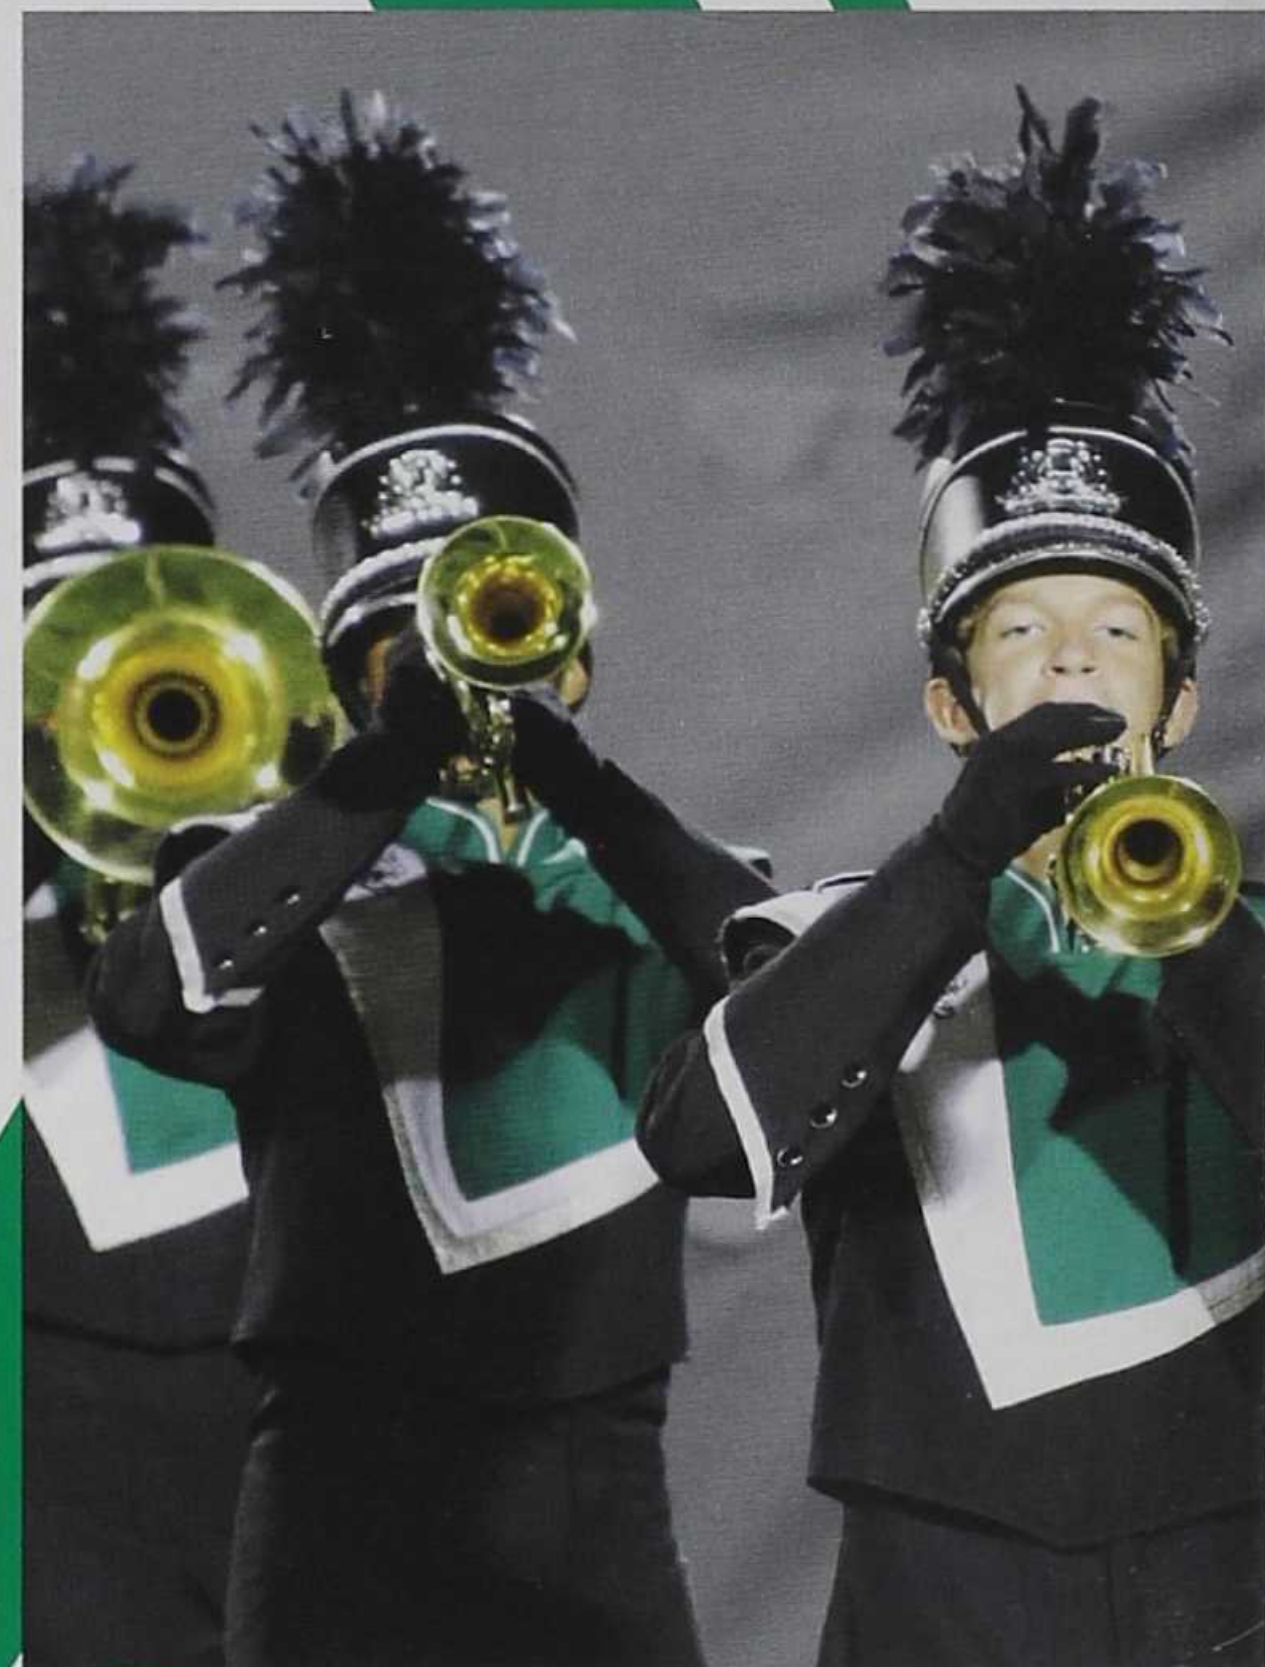

The Wildcat Band shed sweat and tears this marching season as they competed for the State title. From summer band in July and August to competitions every Saturday until November, the Kennedale Band gave it their all, earning the 8th place title in the state of Texas at the State marching contest in San Antonio.

Before State, the Wildcat Marching Band made stops at the Springtown Marching Festival where they were named Best in Class and the Princeton Contest where they took 2nd place.

UIL competition took them to through Area and Regionals. Each victory lead to more challenging competition and higher stakes.

"Performances may not always be perfect," said Senior Chrislyn Trammell, "but if you go out on that field ready to perform your best and make it memorable, that what counts the most."

They have their amazing directors and drum majors to push them to be successful and that is just what they did.

Soloist, Ji Soo Chong, showing her discipline and pride for her band as she stands at attention

"Being a Drum Major for the Wildcat Marching Band was an experience of a lifetime. It was such an honor to lead such an amazing group of musicians onto the field. This band will accomplish many things and I can't wait to see it happen"
-Cierra Bentley

"The harder you work for something, the greater you'll feel when you finally achieve it."
-Dajia Simmons

"Band has taught me so many different things from trust to family. The band is an awesome environment and has awesome people to surround yourself with. The camaraderie is great and the experience has been the best."
-Trevor Malone

KHS CHOIR

Just keep singing

Down a short hall behind the gym is the home of the award-winning Show Choir, Girls Choir, and Varsity Choir. All three groups participate in competitions and perform regularly. Apart from training their voices to be the best they can, they build bonds and make memories. Leanne Blind said, "The biggest life lesson I have learned through choir is that music is a universal language that unites many voices into one."

UIL Academics

Hard Work Leads To Success

UIL Academics challenges students to improve their academic skills. Teacher-coaches help students hone the skills they already have in a variety of subjects and contests. UIL Academics is an outlet for Kennedale High School's strongest academic students to explore greater challenges and put themselves to the test by competing against the best students from other schools in Texas. Every student should be challenged to learn and get better. Academics create space to ensure our top students are getting challenged and reaching their full potential.

The goal is to improve at every event from Speaking, Debate, Journalism, History, and Writing to Mathematics, Numbers Sense, Science, and Computer Science. The UIL Academics team strives to be the best school in the state of Texas for competitive academics.

"I can't speak for the whole beast (UIL) community, but I know as a team captain of accounting, my teammates John Chordes, Brandon Isensee, Ban Nguyen, Gabriel Cruz, Brooke Floyd and Derek Isensee have put in a lot of time and effort into expanding their knowledge of accounting, especially since the school does not offer it as a class."

- Courtney Hines

"UIL Academics is a great chance for students to show off their academic skills, to compete for their school, and to spend time together with other UIL Beasts."

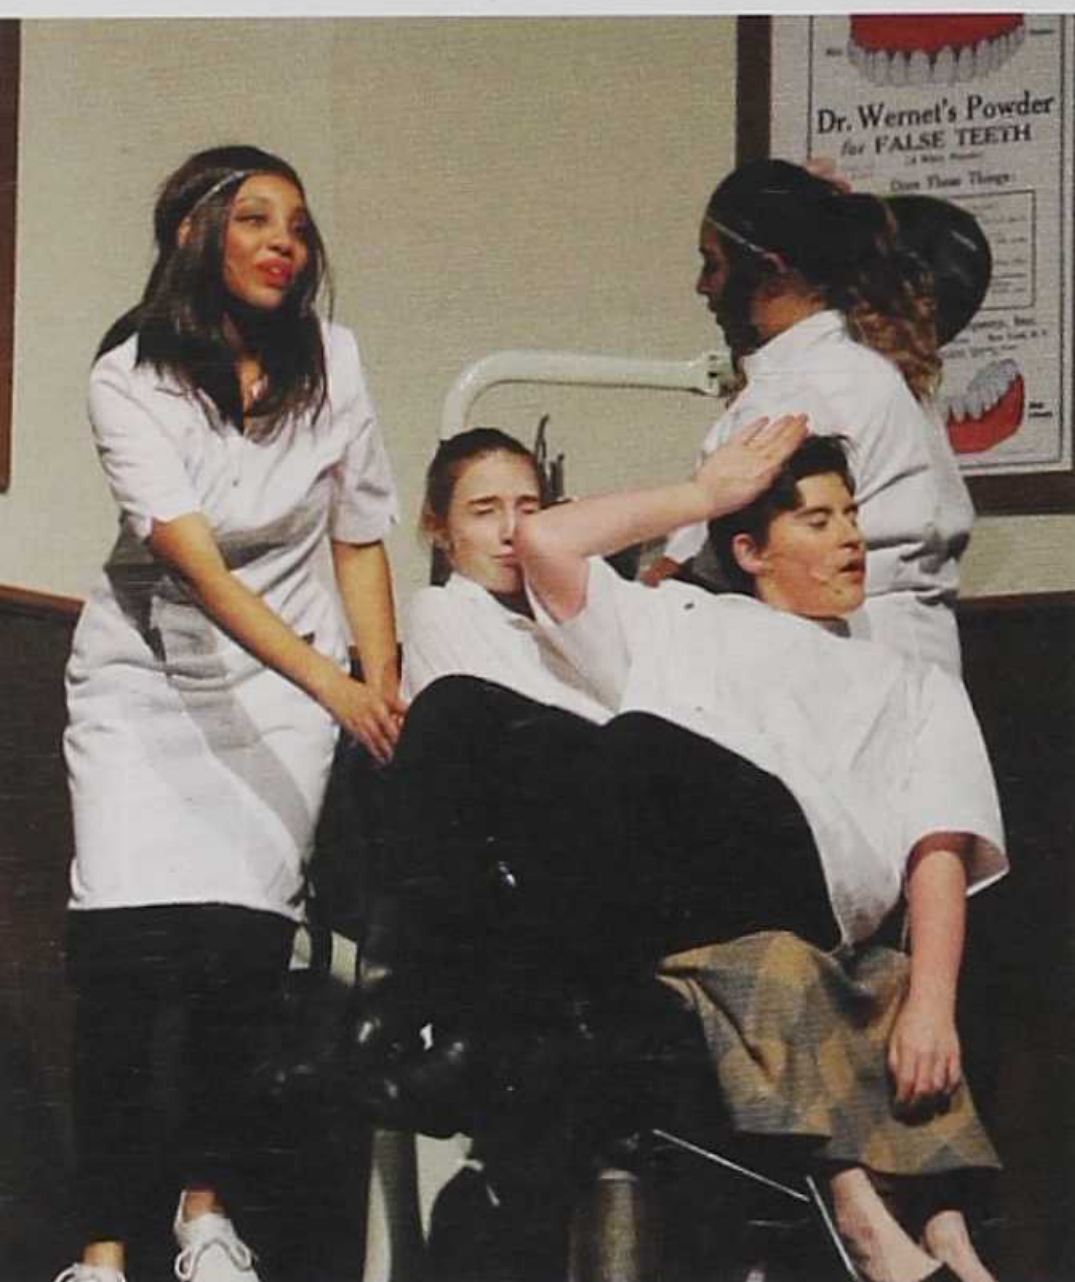

- Ms. Brooke

Theatre

The Wildcat Theatre department has accomplished remarkable things. They started the year with their fall show, *A Wonderful Life*. The troupe is proud of their spring musical, *Little Shop of Horrors*. "It was really amazing to see how well everyone worked together," Taylor Boggs said. "It was incredible to see the play start from nothing and become this great show." The Headliners are now working on their UIL show, *All My Sons*, to bring home another win.

“ There are many different aspects of theatre, which is what makes it so cool.
- Leland Murphy ”

LITTLE SHOP OF HORRORS

Captain

Emmaline Prince

Along with playing the clarinet in the band, Emmaline has been in color guard all 4 years of high school. She was Lieutenant her junior year and Captain her senior year. She says, "When I spin, I feel like time has stopped and nothing else matters."

Kennedale Guard

From the beginning of summer band camp, the Color Guard has worked together as a team to perform their best at every event, competition, or football game. This year, like every year, the Guard played a huge role in the marching show. The name of the show they participated in this fall was "Duality" and was very successful. Performing with

the band, the color guard earned 8th place at the marching band state championships.

"Color guard is a family." Says Michele Vu, the color guard lieutenant, "You go in not entirely sure what's going to happen and by the end of the year it becomes something that defines who you are".

Drill Team

The Kennedale Aristokats put on a show everywhere they performed leaving everyone wanting more. This group of girls puts together dances for the crowd's halftime entertainment

during football games and does an amazing job at it. At pep rallies, students looked forward to seeing what their drill team classmates had in store for them and were never disappointed.

"When you feel like quitting think about why you started."

Kiarra Blaylock

CAPTAIN

"Dance is a way to find yourself and lose yourself all at the same time."

WE'RE ALL IN THIS TOGETHER

“

It's crazy to think
that one entire
year of
memories wraps
up to make one
book.

”

Yearbook started out working together and decided to make “We’re All In This Together” the theme of the book. We attended every event over the year to capture images that would remind us for years of that specific moment.

“This has been the worst, but best, experience of my life and I wouldn’t trade it for anything”.

- Brooke Lalonde

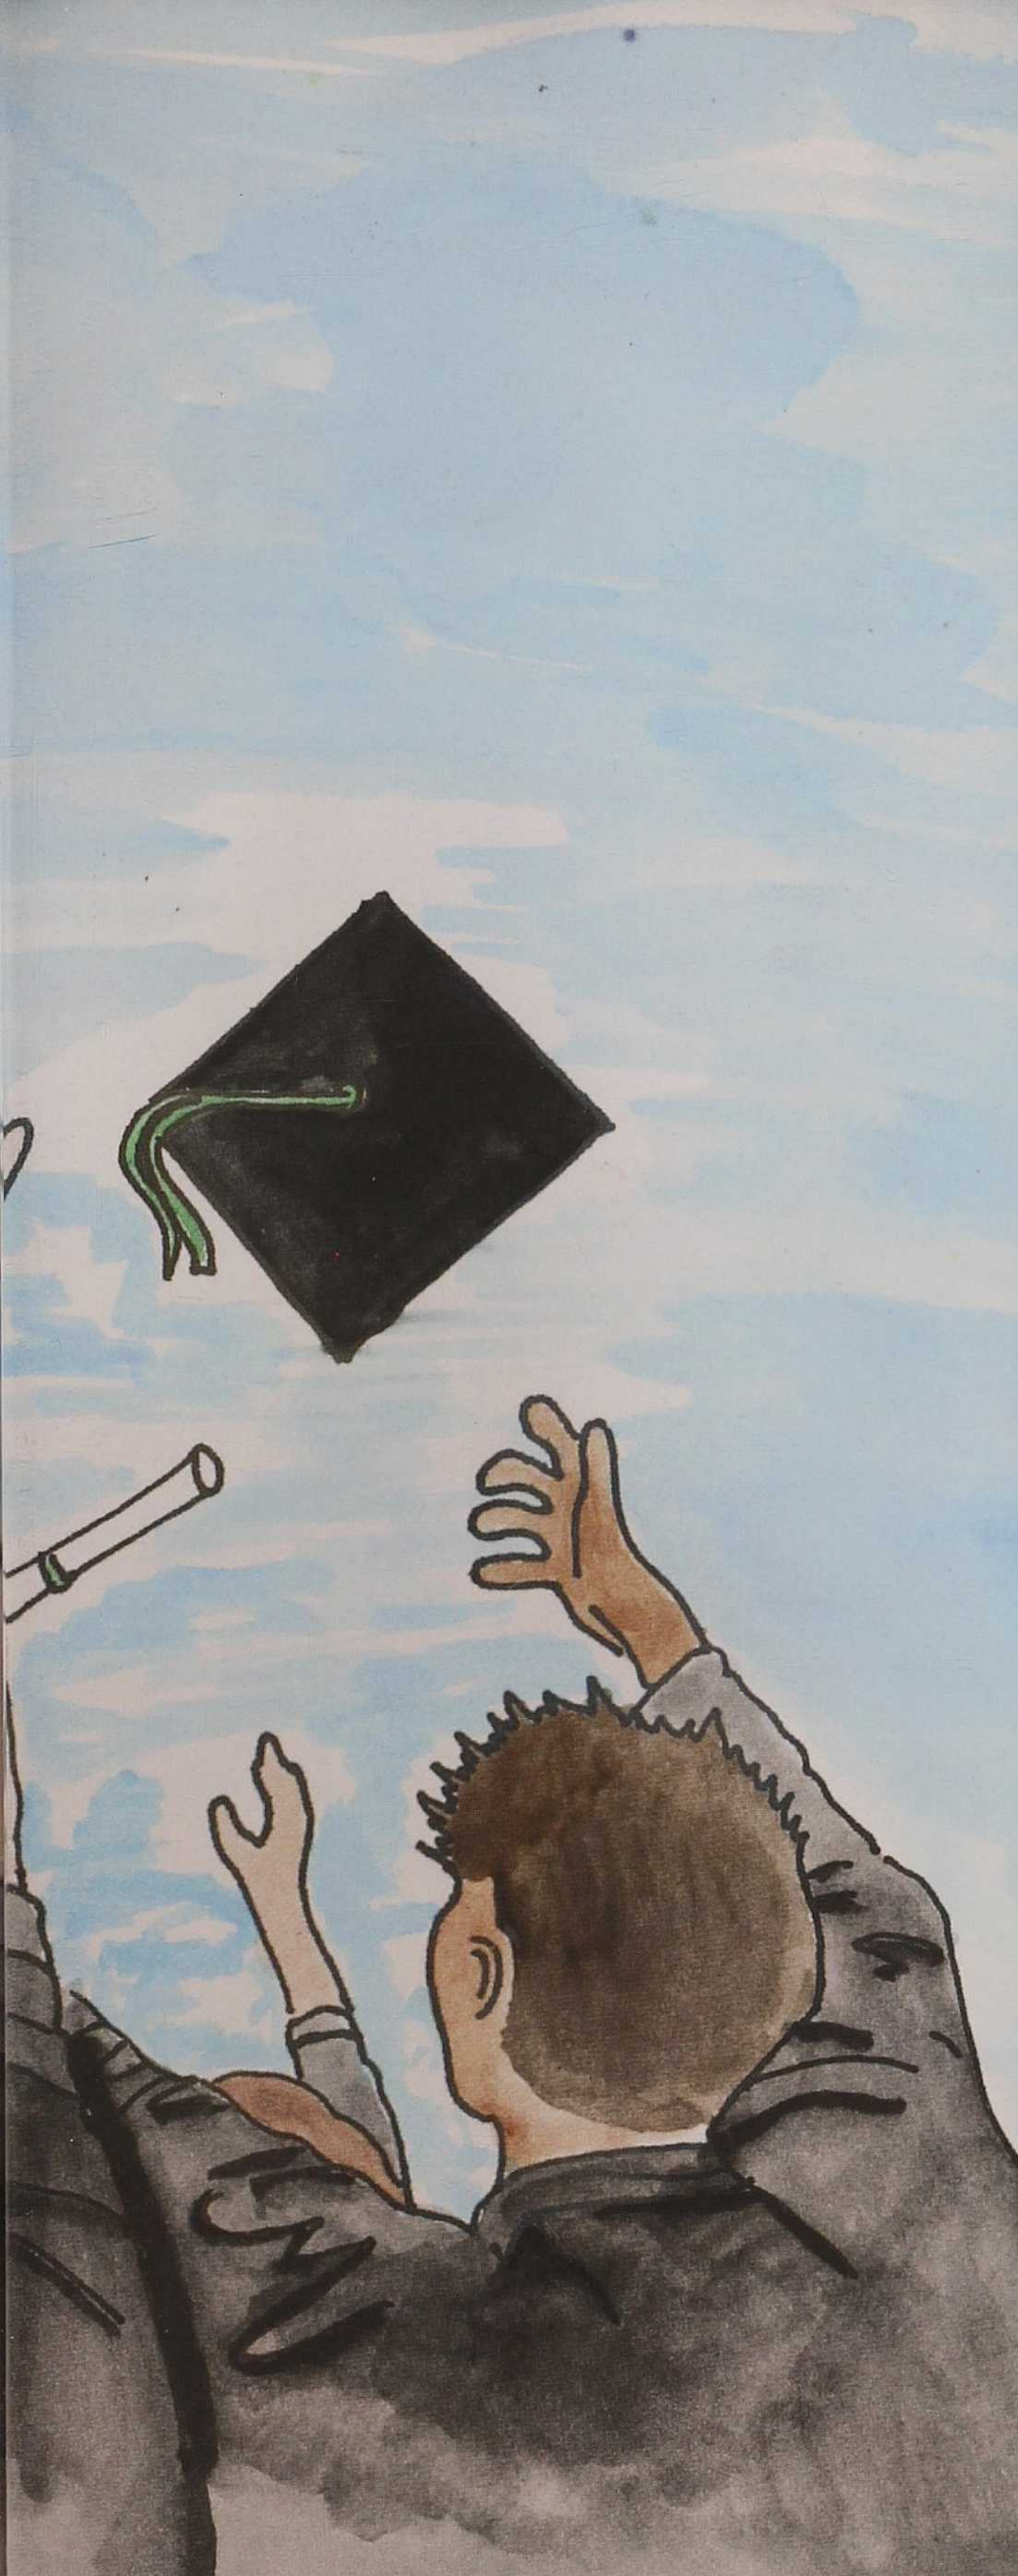

“This was the most stressful thing I ever did in high school, but I’m proud of the outcome and hope you guys enjoy it!”

*I wish you the strength to face challenges with confidence...
along with the wisdom to choose your battles carefully... I
wish you adventure on your journey and may you always
stop to help someone along the way... Listen to your heart
and take risks carefully...*

Remember how much you are loved...

Mom & Dad

Dear Beautiful,

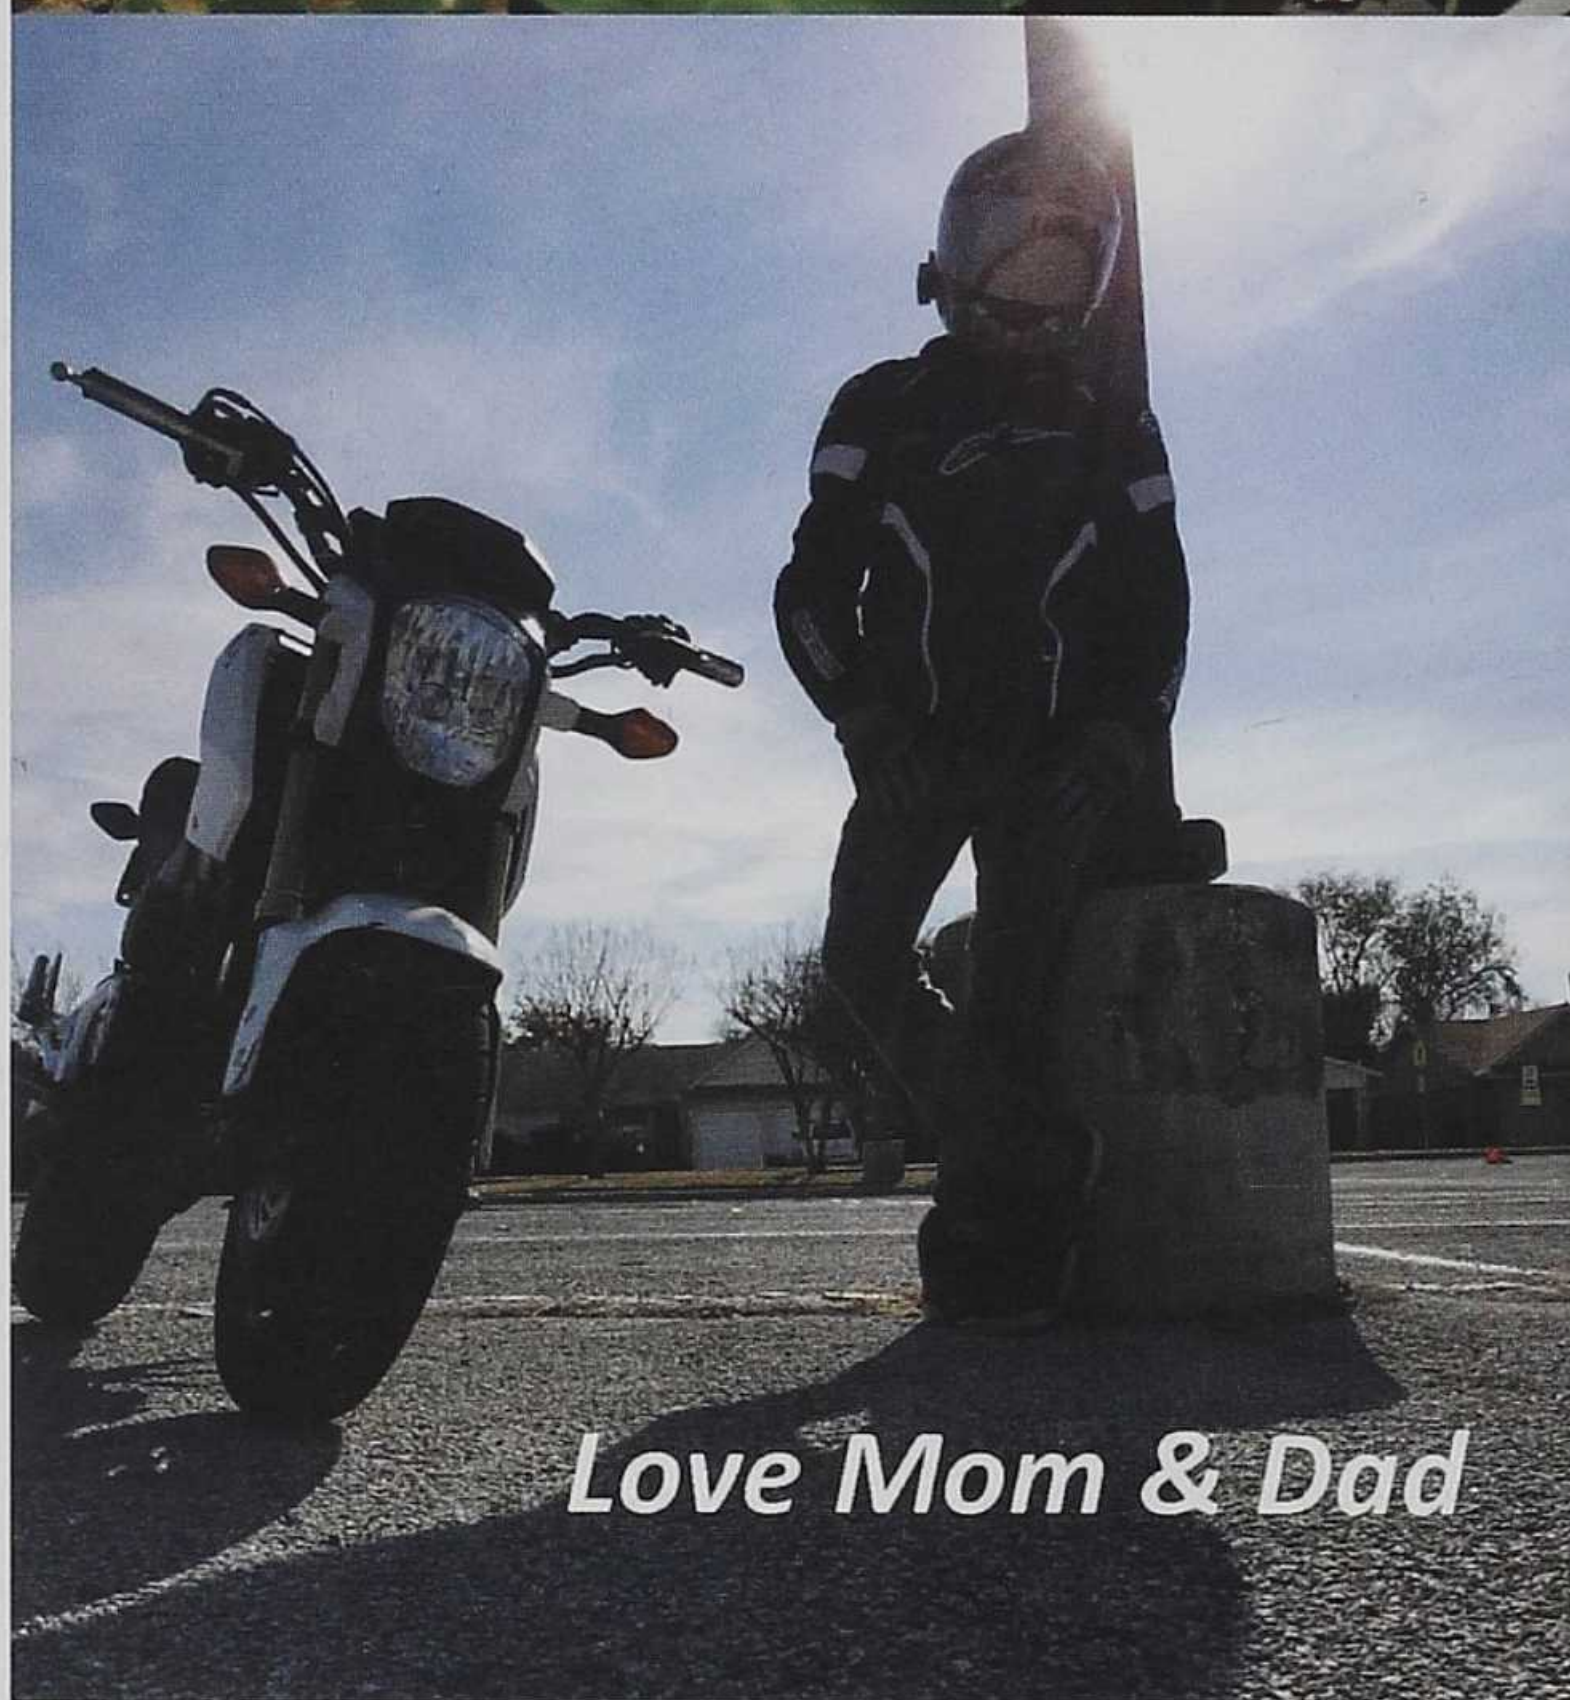

Watching you grow up to be a brilliant, confident, and gorgeous young lady has been the best experience of our lives. You continue to make us proud year after year and we know your future is filled with brightness and potential. Through God, we hope you fulfill every one of the goals you set in life.

*Love you Princesa,
Mama y Papa*

You've constantly shown ***you are*** stronger ***than*** your circumstance.

Your courage, discipline, ***attention*** to detail, and ability to learn from every situation is a gift from God.

Keep working, Keep striving, Keep learning,
Keep growing, ***never accept "NO"*** and
Stay committed and consistent with your Dreams.

We love and stand behind you, Always,
Dad and Nett (Bonus Mom)

Ashley McElvany

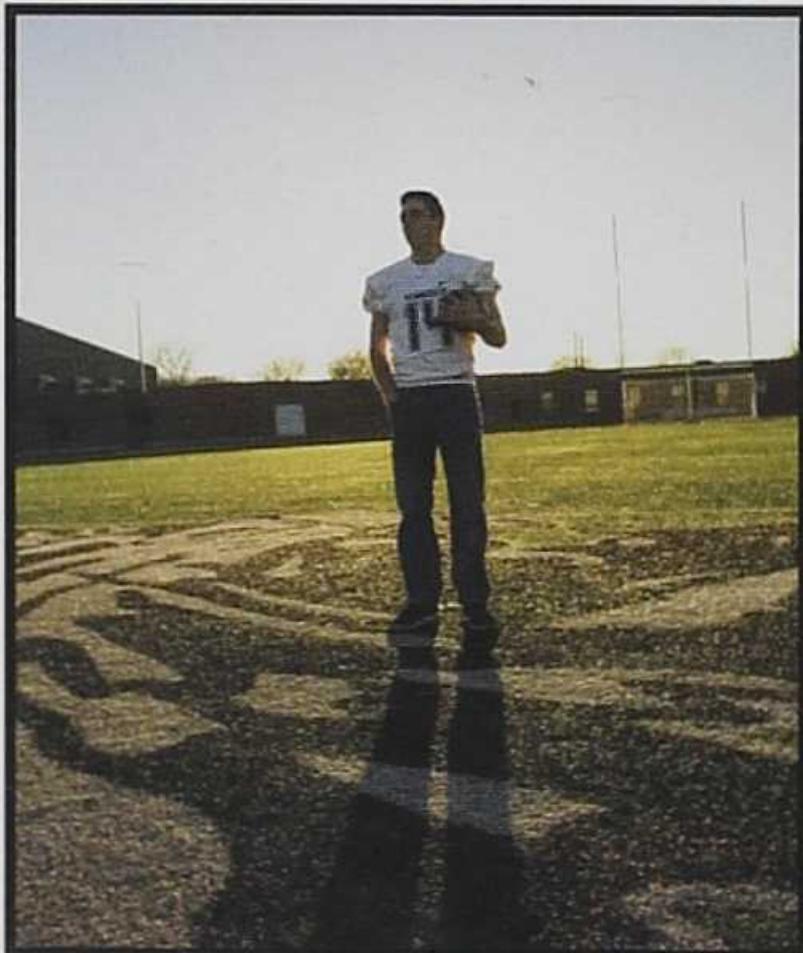

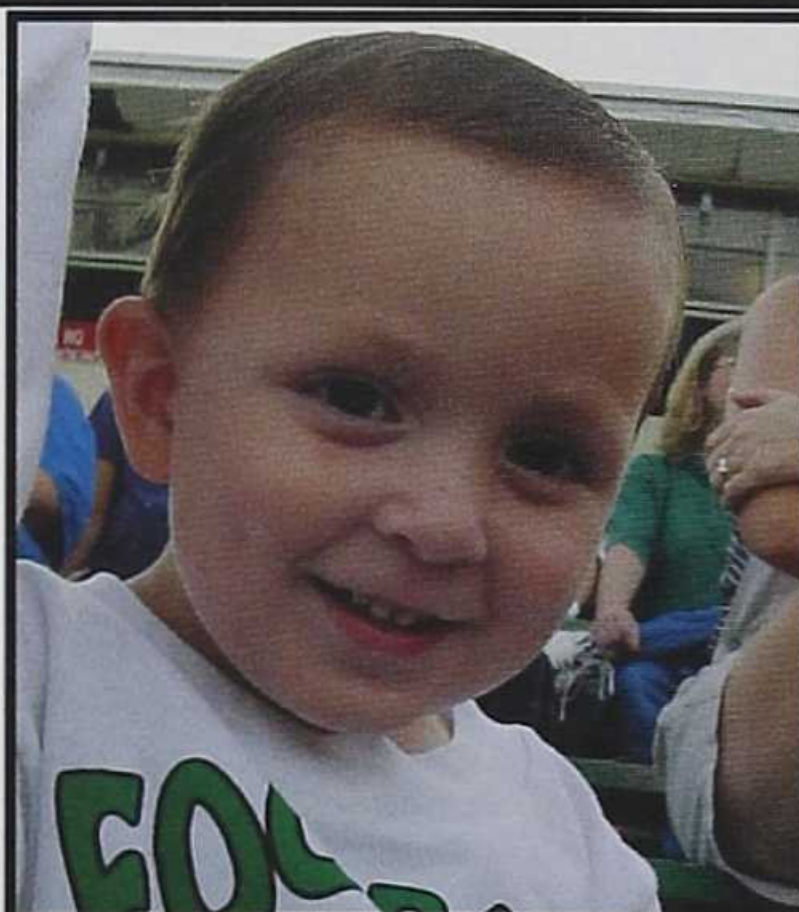

Watching you grow has been my greatest joy.
You are brilliant, kind, hilarious and resilient.
My wish for you is simple; never stop learning,
never stop dreaming, and face each challenge
life throws you with faith and dignity.

Always your "G",
Jamie

From our sweet Baby Girl to an amazing young
lady. We are so proud of you! Go make your
dreams come true.

Love you to the moon and back,

It can't be time for you to graduate.
It wasn't that long ago
that you were carrying a suitcase full of toy trains
around the house.
Or playing sports in KYA.
Or away at Camp Grady Spruce
Or playing football & basketball in Junior High
Or playing football in High School.
Or...wait. Maybe it is time.
It just doesn't seem like it should be though.
We are so proud of you
and everything you've accomplished.
We can't wait to see what the future brings you.

Love,
Dad, Mom & Melissa

*Congratulations on your first of
many milestones. I am very proud of you!
Believe in yourself, the future is yours!
I want the very best for you.
I love you.*

God gave us such a beautiful baby girl
who has grown up to be a beautiful
young lady. Your kind heart and smile has been
"you" since you were born.

Words cannot express the Love and Pride
we have for you. Our wish for you is to
continue that kindness and smile in
all you do. Follow your dreams and you
will succeed. You are so very special to us.

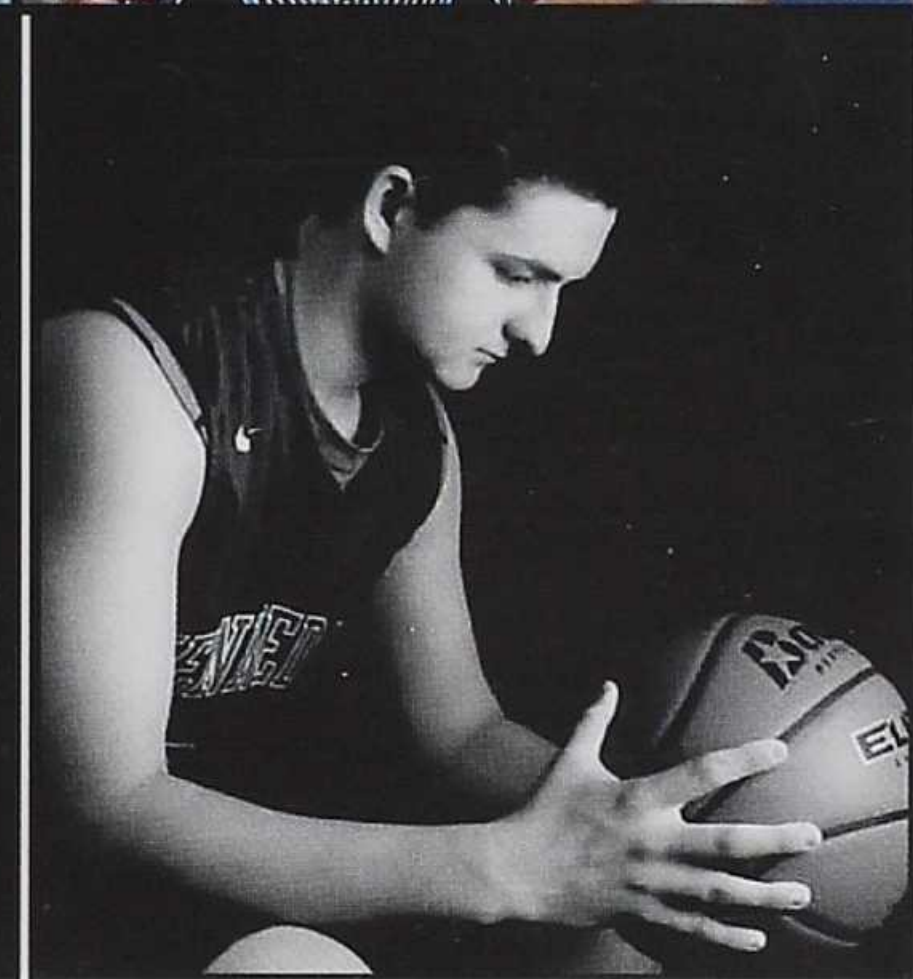

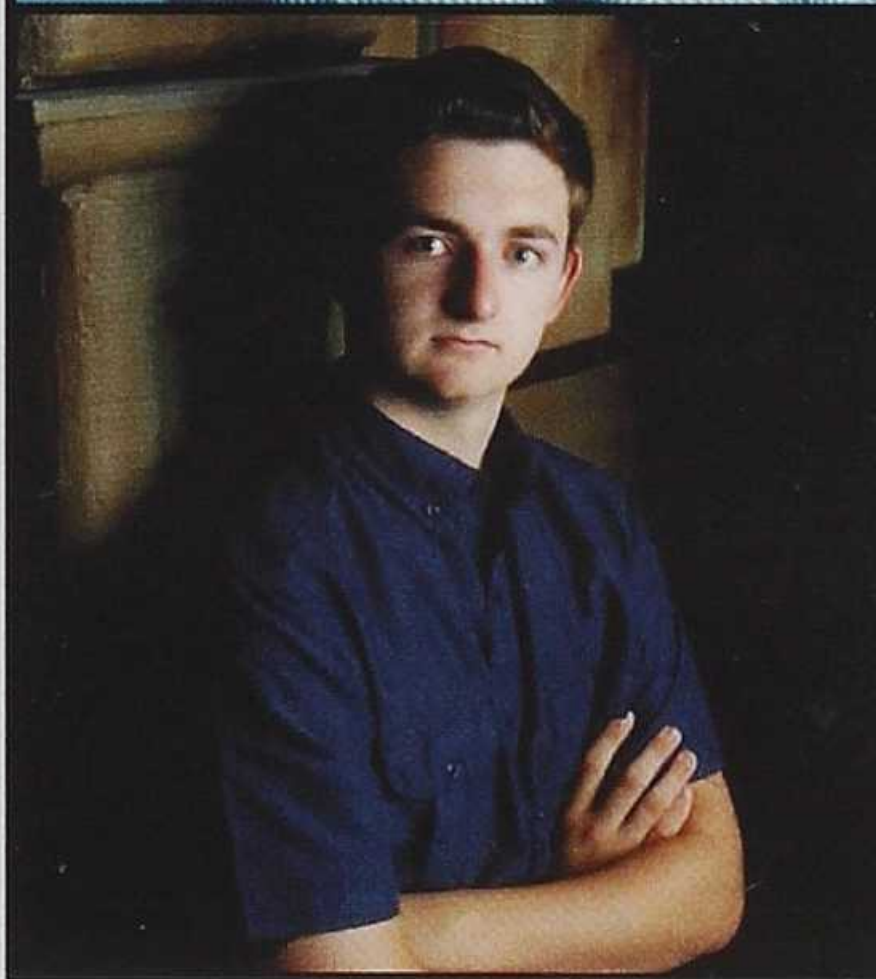

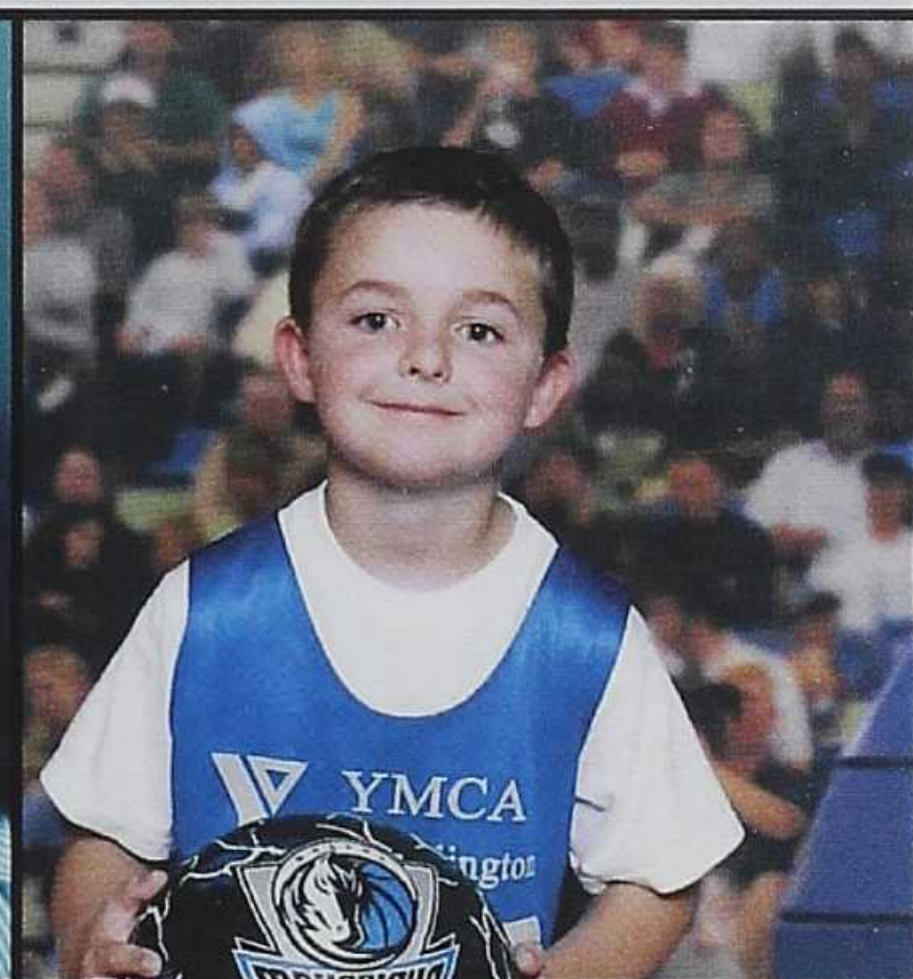

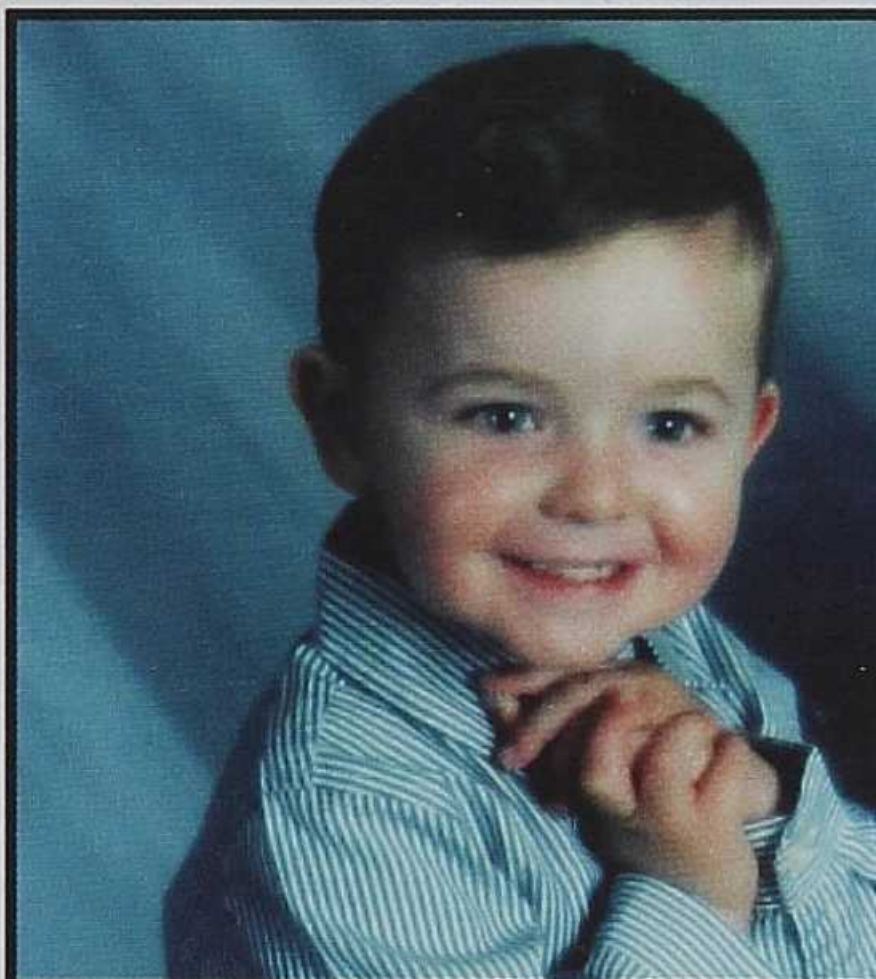

KEEP THAT SPARKLE.

We love you "smiley Kylie"

Alex the day you were born you stole our hearts and
our lives were changed forever. 18 years have gone by
way too fast. You are an amazing, handsome young
man who is funny, kind, caring, and has such a big
heart. We could not be more proud of you and your
commitment and focus. We are so excited for all that
you will accomplish and your new adventures as a
student of The Fightin' Texas Aggie class of 2021-
Whoop! We love you with all our hearts and are truly
blessed and honored to be your parents. We are
excited to see you continue to grow on your journey of
life. Always keep your focus on God.

We love you with all our hearts.
Mom & Dad

Katelyn Foster

My Katie
You are not just a young girl trying to find a way in the world.
You are the girl who is going to make the world seek your way.
You have the passion, the heart, and the knowledge to do anything you set your mind to.
I have watched you grow up and with each day you impress me a little more than I thought was possible.
Sometimes when I look at you, I still see the little dark haired girl with pigtails and the cutest smiling face running to give me a hug, and I feel sad because you all grown up. But more than sad, I'm overwhelmed with excitement to see now what extraordinary things I know you will achieve.
I am so proud of you and can't explain how lucky I am to have you as my niece.
I Love you with my whole heart Taterbug.
Congratulations !!!
Love BoBo, David, Emmie + Addie ♡

To our Baby Girl, Lil' Big Sis, Our Lil' Maniac, Katelyn (Katie - Tates - Taterbug)...
Words will never explain how proud we are of you.
You did it! And you did it well!
You made it look easier than checking the mail !!!
Although we are not ready to admit that our Baby is now grown. We are ready to watch what your future will hold. !!!
We love how you give everything and everyone around you, The Best of Your Best !!!
You such a Beautiful, smart, intelligent, Loving, Crafty, Racing, Hard working Baby Girl, who gives it her All !!!
And for that, Nothings gonna stop you, not even a wall !!!
So Go Out and Give The World Your All !!
And just always ~~Remember~~ Remember - No matter where you go or what you do !! M.A.D.L.Y. means Mom and Dad Love You ♡
Congratulations to the Most Amazing Daughter and Lil' Big Sis anyone could have!!
Love Mom, Dad and Bubs ♡

Our Lil' Katelyn, you've been our Lil' Taterbug since day one, when you opened those big beautiful brown eyes. I knew you were something special. You have always owned our hearts. You have a special way about you, such a kind, loving heart. You play hard with the big boys (racing) to being very caring and kind, teaching and helping with all the young children. You are so beautiful and smart, you just amaze us everyday and fill our hearts with pride.
You have accomplished so much already. I know there is so much more still out there just waiting on you. We know no matter what you decide to do, you will do it well, you have always given your all and done your best in everything you do. You are a leader for all around you. You have given us so many memories to cherish in our hearts. We just want you to remember where life takes you, whatever you do!! Nanny and Other Nanny will always be here for you. We have always from day one, loved you with all our hearts baby girl, and will continue loving the woman you are today. Love Nanny and Other Nanny ♡

Tates,
Well you always make fun of me for writing novels so I'm going to make it short and sweet haha. Basically I wouldn't have made it through life without. From us being littles and arguing and me throwing a piano at you, to mom and dad making us say it out. To big drama, friend drama, racing, and growing up. You've been right next to me the whole way. You're all that has kept me going all these years, besides mom, dad, and nannies. You're my little sis, my partner in crime, my best friend, and my rock. I'm literally so proud of everything you've accomplished and the woman you've become. You make me the most proud big sister ever, and I'm lucky to have you. Watching you become the person you are now was a blessing. You're beautiful, one of the smartest people I know, talented, so caring, and just perfect. I can't wait to see what your future holds, but I know it'll be great. I'm also so happy to be by your side for your new journey. You're new chapter starts, and you now have blank pages to make your own. Just remember though, no matter where you go, no matter what you do, or where life takes you... I'll always be right next to you cheering you on. Let's start making new memories! I love you so much sis, and CONGRATULATIONS!! ♡- Your big sister.
*I was thinking about how we used to play Barbie dolls and makeup. Tea parties, dress up. I remember how we'd fight, and make up and laugh all night. With we were kids again. My sister, my friend. ♡

Editor-In-Chief's Note

Dear **Mr. Marchel and Administration,**

Thank you for your patience and support throughout this year. Thank you for helping us every time we would come into the office with another question.

Dear **Coach Beck,**

Thank you for always being there to let us in the door when we would constantly forget the cameras... You have been so patient and we appreciate everything you have helped us with. We will always remember your advice, crazy stories and life lessons.

Dear **Ms. Brooke,**

Thank you for your countless hours spent editing and proofreading each page.

Dear **Kennedale,**

Thank you for letting us borrow your students for a few minutes... which always turned into more like twenty. Your cooperation is much appreciated.

Sincerely,

Brooke & Andrea
